Only God Can Judge Me

(feat. Rappin 4-Tay)

[Intro: 2Pac]

Only God can judge me, is that right?
[synth voice] Only God can judge me now
Only God baby, nobody else, nobody else
All you other motherfuckers get out my business

[Verse One: 2Pac]

Perhaps I was blind to the facts, stabbed in the back
I couldn't trust my own homies just a bunch a dirty rats
Will I, succeed, paranoid from the weed
And hocus pocus try to focus but I can't see
And in my mind I'ma blind man doin time
Look to my future cause my past, is all behind me
Is it a crime, to fight, for what is mine?
Everybody's dyin tell me what's the use of tryin
I've been Trapped since birth, cautious, cause I'm cursed
And fantasies of my family, in a hearse
And they say it's the white man I should fear
But, it's my own kind doin all the killin here
I can't lie, ain't no love for the other side
Jealousy inside, make em wish I died
Oh my Lord, tell me what I'm livin for
Everybody's droppin got me knockin on heaven's door
And all my memories, of seein brothers bleed
And everybody grieves, but still nobody sees
Recollect your thoughts don't get caught up in the mix
Cause the media is full of dirty tricks
Only God can judge me

[Chorus: 2Pac]

[synth voice] Only God can judge me
That's right baby, yeah baby
[synth voice] Only God
Hahahahahahahaha
[synth + Pac] Only God can judge me, only God can judge
[synth cont.] me, only God
Only God can judge me
[synth + Pac] Only God can judge me
And only God can
[synth voice] Only God can judge me, only God
Only God can judge me
[synth + Pac] Only God can judge me
Only God can judge me
[synth voice] Only God can judge me, only God

Only God can judge me
[synth voice] Only God can judge me now
[heart monitor: long beep]
Flatline!
[Verse Two: 2Pac]
I hear the doctor standing over me *[heart monitor: beeping slowly]*
screamin I can make it
Got a body full of bullet holes layin here naked
Still I, can't breathe, somethings evil in my IV
Cause everytime I breathe, I think they killin me *[beeping sound stops]*
I'm having nightmares, homicidal fantansies
I wake up stranglin, danglin my bed sheets
I call the nurse cause it hurts, to reminisce
How did it come to this? I wish they didn't miss
Somebody help me, tell me where to go from here
Cause even Thugs cry, but do the Lord care?
Try to remember, but it hurts
I'm walkin through the cemetary talkin to the, dirt
I'd rather die like a man, than live like a coward
There's a ghetto up in Heaven and it's ours, Black Power
is what we scream as we dream in a paranoid state
And our fate, is a lifetime of hate
Dear Mama, can you save me? And fuck peace
Cause the streets got our babies, we gotta eat
No more hesitation each and every black male's trapped
And they wonder why we suicidal runnin round strapped
Mista, Po-lice, please try to see that it's
a million motherfuckers stressin just like me
Only God can judge me
[Chorus w/ variations]
[Interlude: 2Pac]
That which does not kill me can only make me stronger
(That's for real)
and I don't see why everybody feel as though
that they gotta tell me how to live my life
(You know?)
Let me live baby, let me live
[Verse Three: Rappin 4-Tay, Tupac]
Pac I feel ya, keep servin it on the reala
For instance say a playa hatin mark is out to kill ya
Would you be wrong, for buckin a nigga to the pavement?
He gon' get me first, if I don't get him fool start prayin
Ain't no such thing as self-defense in the court of law
So judge us when we get to where we're goin wearin a cross, that's real
Got him, lurked him, crept the fuck up on him
Sold a half a million tapes now everybody want him
After talkin behind my back like a bitch would
Tellin them niggaz, "You can fade him," punk I wish you would

It be them same motherfuckers in your face that'll rush up in your place
to get your safe, knowin you on that paper chase
Grass, glass, big screen and leather couch
My new shit is so fetti already sold a key of ounce
Bitch, remember Tupac and 4-Tay
Them same two brothers dodgin bullets representin the Bay
Pac when you was locked down, that's when I'll be around
Start climbing up the charts, so sick, but they tried to clown
That's why they ride the bandwagon still be draggin sellin lies
Don't think I don't see you haters, I know you all in disguise

Guess you figure you know me cause I'm a Thug
That love to hit the late night club, drink then buzz
Been livin lavish like a player all day
Now I'm bout to floss em off, player shit with 4-Tay
Only God can judge me
[Chorus w/ variations]
[4Tay] **Only God main**
[2Pac] **That right?**
[4Tay] **That's real**
[2Pac] **Hahahahahaha**
[4Tay] **Fuck everybody else, yaknowhatI'msayin?**
[2Pac] **Man, look here man**
My only fear of death is comin back to this bitch reincarnated
That's for the homey mental
We up out
[Chorus w/out 2Pac continues to fade]

Here Without You

A hundred days have made me older
Since the last time that I saw your pretty face
A thousand lies have made me colder
And I don't think I can look at this the same
But all the miles that separate
Disappear now when I'm dreaming of your face

I'm here without you baby
But you're still on my lonely mind
I think about you baby
And I dream about you all the time
I'm here without you baby
But you're still with me in my dreams
And tonight it's only you and me

The miles just keep rollin'
As the people leave their way to say hello
I've heard this life is overrated
But I hope that it gets better as we go

I'm here without you baby
But you're still on my lonely mind
I think about you baby
And I dream about you all the time
I'm here without you baby
But you're still with me in my dreams
And tonight girl its only you and me

Everything I know, and anywhere I go
It gets hard but it wont take away my love
And when the last one falls
When it's all said and done
It gets hard but it wont take away my love

I'm here without you baby
But you're still on my lonely mind
I think about you baby
And I dream about you all the time
I'm here without you baby
But you're still with me in my dreams
And tonight girl its only you and me

Just a lil bit

[50 Cent]
Yeah, Sha-dy, Aftermath - G-Unit!
[Intro]
Damn baby all I need is a lil' bit
A lil' bit of this, a lil' bit of that
Get it crackin in the club when you hear the shit
Drop it like it's hot, get to whippin that back
Girl shake that thing, yeah work that thing
Let me see it go up, and, down
Rotate that thang, I wanna touch that thang
When you make it go round and round
[50 Cent]
I step up in the club I'm like "Who you wit?"
G-Unit in the house, yeah that's my click
Yeah I'm young but a nigga from the old school
On the dancefloor a nigga doin old moves
I don't give a fuck, I do what I wan' do
I hit your ass up boy, I done warned you
Better listen when I talk nigga, don't trip
Yo' heat in the car, mines in this bitch
I ain't tryin to beef, I'm tryin to get my drink on
And my diamonds, my fitted, and my mink on
I'ma kick it at the bar 'til it's time to go
Then I'ma get in shorty ear and I'ma let her know
[Chorus]
All a nigga really need is a lil' bit
Not a lot baby girl, just a lil' bit
We can head to the crib in a lil' bit
I can show you how I live in a lil' bit
I wanna unbutton your pants just a lil' bit
Take 'em off and pull 'em down just a lil' bit
Get to kissin and touchin a lil' bit
Get to lickin and {fuckin} a lil' bit
[50 Cent]
This is 50, comin out your ster-e-o
It's hard to tell though cause I switched the flow
Eyes a little low cause I twist the 'dro
Pockets on swoll cause I move the O's
My neck, my wrist, my ears is froze
Come get, your bitch, she on me dawg
She must, ta heard, about the dough
Now Captain c'mon and Save-a-Hoe
I get it crunk in the club, I'm off the chain
#1 on the chart all the time mayne
When the kid in the house, I turn it out
Keep the dancefloor packed that's without a doubt
But shorty shake that thang like a pro man
She backed it up on me I'm like ohh man
I got close enough to her so I know she could hear
System thumpin, party jumpin, I said loud and clear
[Chorus]
[50 Cent]
Baby you got me feelin right, you heard me?
My momma gone you can spend the night, you heard me?
I ain't playin I'm tryin to {fuck} tonight, you heard me?
Clothes off, face down, ass up, c'mon, ha ha
[Chorus x2]

One in a Million

Intro:
Love it babe...hmmm...
Love it babe...heyyy...yeaheeyeahh...
hmmmhmmmm...
(verse 1)
Baby you don't know, what you do to me
Between me and you, I feel a chemistry
I won't let noone, come and take your place
'Cause the love you give, it can't be replaced
See noone else, can love me like you do
That's why I want, to spend my life with you
Wanna please you, in anyway I can
Wanna share my world, don't you understand...
(chorus)
Your love is a one in a million, it goes on and on and on
You give me a really good feelin', all day long
Your love is a one in a million, it goes on and on and on
You give me a really good feelin', all day long.
(verse 2)
Turn me inside out, you make my heart speak
I don't need noone else, you are all I need
Personality(ty), and everything you do(do)
Makes me to love, everything 'bout you
Your smile, your style, is so fly, I can't deny
I got a crush on you, and that is true indeed
And i'm diggin' you, you're makin' me believe...
(chorus)
Your love is a one in a million, it goes on and on and on
You give me a really good feelin', all day long
Your love is a one in a million, it goes on and on and on
You give me a really good feelin', all day long.
(bridge)
I'll give you anything you want from me...
Anything you want, anything you need, anything your soul desires
I'll give you anything you want from me...
Anything you want, anything you need, anything your soul desires
(chorus)
Your love is a one in a million, it goes on and on and on
You give me a really good feelin', all day long
Your love is a one in a million, it goes on and on and on
You give me a really good feelin', all day long.
(repeat)
(outro)
Love it babe...

AEROSMITH

I Don't Want to Miss a Thing

I could stay awake just to hear you breathing
Watch you smile while you are sleeping
While you're far away and dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Every moment spent with you
Is a moment I treasure

Don't wanna close my eyes
Don't wanna fall asleep
'Cause I'd miss you, baby
And I don't wanna miss a thing
'Cause even when I dream of you
The sweetest dream would never do
I'd still miss you, baby
And I don't wanna miss a thing

Laying close to you
Feeling your heart beating
And I'm wondering what you're dreaming
Wondering if it's me you're seeing
Then I kiss your eyes and thank God we're together
I just wanna stay with you
In this moment forever, forever and ever

Don't wanna close my eyes
Don't wanna fall asleep
'Cause I'd miss you, baby
And I don't wanna miss a thing
'Cause even when I dream of you
The sweetest dream would never do
I'd still miss you, baby
And I don't wanna miss a thing

I don't wanna miss one smile
I don't wanna miss one kiss
I just wanna be with you
Right here with you, just like this
I just wanna hold you close
Feel your heart so close to mine
And just stay here in this moment
For all the rest of time

Don't wanna close my eyes
Don't wanna fall asleep
'Cause I'd miss you, baby
And I don't wanna miss a thing
'Cause even when I dream of you
The sweetest dream would never do
'Cause I'd still miss you, baby
And I don't wanna miss a thing

Don't wanna close my eyes
Don't wanna fall asleep
'Cause I'd miss you, baby
And I don't wanna miss a thing
'Cause even when I dream of you
The sweetest dream would never do
I'd still miss you, baby
And I don't wanna miss a thing

Don't wanna close my eyes
Don't wanna fall asleep, yeah
I don't wanna miss a thing

Alicia Keys

No One

I just want you close
Where you can stay forever
You can be sure
That it will only get better

You and me together
Through the days and nights
I don't worry 'cause
Everything's going to be alright
People keep talking they can say what they like
But all i know is everything's going to be alright

No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel for you

When the rain is pouring down
And my heart is hurting
You will always be around
This I know for certain

You and me together
Through the days and nights
I don't worry 'cause
Everything's going to be alright
People keep talking they can say what they like
But all i know is everything's going to be alright

No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel

I know some people search the world
To find something like what we have
I know people will try try to divide something so real
So till the end of time I'm telling you there is no one

No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel for you

oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh

anastacia

Everything burns

She sits in her corner
Singing herself to sleep
Wrapped in all of the promises
That no one seems to keep
She no longer cries to herself
No tears left to wash away
Just diaries of empty pages
Feelings gone a stray
But she will sing

Til everything burns
While everyone screams
Burning their lies
Burning my dreams
All of this hate
And all of this pain
I'll burn it all down
As my anger reigns
Til everything burns

Walking through life unnoticed
Knowing that no one cares
Too consumed in their masquerade
No one sees her there
And still she sings

Til everything burns
While everyone screams
Burning their lies
Burning my dreams
All of this hate
And all of this pain
I'll burn it all down
As my anger reigns

Til everything burns
Everything burns
Everything burns
Everything burns
Watching it all fade away
All fade away
Everyone screams
Everyone screams
(Watching it all fade away)

Til everything burns
While everyone screams
Burning their lies
Burning my dreams
All of this hate
And all of this pain
I'll burn it all down
As my anger reigns
Til everything burns

Everything burns
Watching it all fade away
Everything burns
Watching it all fade away

BACK STREET
BOYS

INCOMPLETE

Empty spaces fill me up with holes
Distant faces with no place left to go
Without you within me I can't find no rest
Where I'm going is anybody's guess

I tried to go on like I never knew you
I'm awake but my world is half asleep
I pray for this heart to be unbroken
But without you all I'm going to be is incomplete

Voices tell me I should carry on
But I am swimming in an ocean all alone
Baby, my baby
It's written on your face
You still wonder if we made a big mistake

I tried to go on like I never knew you
I'm awake but my world is half asleep
I pray for this heart to be unbroken
But without you all I'm going to be is incomplete

I don't mean to drag it on, but I can't seem to let you go
I don't wanna make you face this world alone
I wanna let you go (alone)

I tried to go on like I never knew you
I'm awake but my world is half asleep
I pray for this heart to be unbroken
But without you all I'm going to be is incomplete

Incomplete

Irreplaceable

To the left,
To the left

To the left,
To the left

Mmmm, to the left to the left.
Everything you own in the box to the left.
In the closet that's my stuff
Yes, if I bought it
Please don't touch (don't touch).

You keep talking that mess that's fine,
but could you walk and talk at the same time and
It's my name that's on that jag.
So go move your bags, let me call you a cab.

Standing in the front yard, telling me
How I'm such a fool, talking 'bout
How I'll never ever find a man like you
You got me twisted

You must not know 'bout me
You must not know 'bout me
I could have another you in a minute
Matter fact, he'll be here in a minute (baby)

You must not know 'bout me
You must not know 'bout me
I can have another you by tomorrow
So don't you ever for a second get to thinkin'
You're irreplaceable

So go ahead and get gone
Call up that chick, and see if shes home
Oops I bet you thought, that I didn't know
What did you think

I was putting you out for?
Because you was untrue
Rolling her around in the car that I bought you
Baby, drop them keys
Hurry up, before your taxi leaves

Standing in the front yard, telling me
How I'm such a fool, talking 'bout
How I'll never ever find a man like you
You got me twisted

You must not know 'bout me
You must not know 'bout me
I could have another you in a minute
Matter fact, he'll be here in a minute (baby)

You must not know 'bout me
You must not know 'bout me
I'll have another you by tomorrow
So don't you ever for a second get to thinkin'
You're irreplaceable

So since I'm not your everything
How about I'll be nothing? nothing at all to you (nothing, nothing)
Baby i won't shed a tear for you (I won't shed a tear for you)
I won't lose a wink of sleep (a wink of sleep)
Cause the truth of the matter is (truth is)
Replacing you is so easy

To the left to the left
To the left to the left

Mmmmm
To the left to the left
Everything you own in the box to left

To the left to the left
Don't you ever for a second get to thinking
You're irreplaceable

You must not know 'bout me
You must not know 'bout me
I could have another you in a minute
Matter fact, he'll be here in a minute (baby)

You must not know 'bout me
You must not know 'bout me
I can have another you by tomorrow
So don't you ever for a second get to thinkin' (baby! hey yea)

You must not know 'bout me
You must not know 'bout me
I could have another you in a minute
Matter fact, he'll be here in a minute (baby)

You can pack all your bags we're finished
Cause you made your bed and layed in it
I could have another you by tomorrow
Don't you ever for a second get to thinkin'
You're irreplaceable

Tell Him

I'm scared
So afraid to show I care
Will he think me weak
If I tremble when I speak
Oooh - what if
There's another one he's thinking of
Maybe he's in love
I'd feel like a fool
Life can be so cruel
I don't know what to do

I've been there
With my heart out in my hand
But what you must understand
You can't let the chance
To love him pass you by

Should I

Tell him
Tell him that the sun and moon
Rise in his eyes
Reach out to him
And whisper
Tender words so soft and sweet
Hold him close to feel his heart beat
Love will be the gift you give yourself

Touch him
With the gentleness you feel inside
Your love can't be denied
The truth will set you free
You'll have what's mean to be
All in time you'll see

I love him
Of that much I can be sure
I don't think I could endure
If I let him walk away
When I have so much to say

I'll

Love is light that surely glows
In the hearts of those who know
It's a steady flame that grows
Feed the fire with all the passion you can show
Tonight love will assume its place
This memory time cannot erase
Blind faith will lead love where it has to go
Never let him go

RIDING DIRTY

They see me rollin'
They hatin'
Patrollin'

And tryin. to catch me ridin. dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
My music so loud;
I'm swangin'.
They hopin'

That they gon' catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin'
Tryin' to catch me ridin' dirty.

Police think they can see me lean;
I'm tint so it ain't easy to be seen.
For me to see me ride by, they can see the glean
And my shine on the deck and the TV screen.
Ride with a new chick, she like "Hold up."
Next to the Playstation controller
There's a full clip in my pistola;
Turn a jacker into a coma.

Girl, you ain't know, I'm crazy like Krayzie Bone;
Just tryin' to make you horny, ain't tryin' to have no babies.
Ride clean as hell so I pull in ladies.
Law's on patrol; you know they hate me.
Music turned all the way up and to the maximum;
I can speak for some niggas tryin' to jack for some.
But we packin' somethin' that we have
And, um, will have a nigga locked up in the maximum
Security cell. I'm grippin' oak.
Music loud and I'm tippin' slow.

Twins steady twistin' like hit this dough;
Pull up from behind and I'm sittin low.
Windows down, gotta stop pollution.
CDs change; niggas like "Who is that producin'?"
This the Play-N-Skillz when we out and cruisin'
Got warrants in every city except Houston
But I still ain't losin'.

They see me rollin';
They hatin'.
Patrollin'
And tryin. to catch me ridin. dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
My music so loud;
I'm swangin'.
They hopin'

That they gon' catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.

I been drinkin' and smokin'; holdin' shit
'Cause a brother can't focus.
I gotta get to home 'fore the po-po's scope
This big ol Excursion
Swervin',

All up in the curve, man.
Nigga been sippin' on that Hennessey
And the gin again
Is in again;
We in the wind.

Doin' a hundred while I come from the block
And rollin another one up;
We livin' like we ain't givin' a fuck.
I got a revolver in my right hand;

40 oz on my lap, freezing my balls
Roll a nigga tree, green leaves and all.
Comin' up pretty deep, me and my do-jo.
I gotta get to backstreets;
Wanted by the six-pounds
And I got heat.
shots to the block;
We creep-creep. Pop-pop.
Hope cops don't see me;
On a low key.
With no regard for the law,
We dodge 'em like fuck-'em-all.
But I won't get caught up
And brought up
On charges for none of y'all.
Keep a gun in car
And a blunt to spark,
But, well, if you want,
Nigga,poppin'you dark.
Ready or not, we gon' bust shots off in the air
Krayzie Bone and Chamillionaire.

They see me rollin';
They hatin'.
Patrollin'
And tryin. to catch me ridin. dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
My music so loud;
I'm swangin'.
They hopin'
That they gon' catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.

Do what you thinkin' so,
I tried to let you go.
Turn on my blinker light
And then I swang it slow.

And they upset for sure
'Cause they think they know

That they catchin me with plenty of the drinkin' drough.
So they get behind me,
Tryin' to check my tags.
Look at my rearview and they smilin',
Thinkin' they'll catch me on the wrong; keep tryin'
'Cause they denyin' it's racial profilin'.
Houston, TX, you can check my tags;
Pull me over, try to check my slab.
Glove compartment, gotta get my cash
'Cause the crooked cops'll try to come up fast.
And bein' the baller that I am, I talk to them,
Givin' a damn 'bout not feeling my attitude.
When they realize I ain't even ridin' dirty
Bet you'll be leavin' with an even madder mood.

I'ma laugh at you
And then I have to cruise.
You're a number two
On some old DJ Screw.
You can't arrest me plus you can't sue.
This a message to the law; tells 'em "We hate you."
I can't be touched and tell 'em that they shoulda known.
Tippin' down; I'm sittin' crooked on my chrome.
Bookin' my phone; findin' a chick I wanna bone.
Like they couldn't stop me I'mma bout to pull up at your home

And it's on.

They see me rollin';
They hatin'.
Patrollin'
And tryin. to catch me ridin. dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
My music so loud;
I'm swangin'.
They hopin'

That they gon' catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
They see me rollin';
They hatin'.
Patrollin'

And tryin. to catch me ridin. dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
My music so loud;
I'm swangin'.
They hopin'

That they gon' catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.
Tryin' to catch me ridin' dirty.

CHER
LIVING PROOF

STRONG ENOUGH

I don't need your sympathy
There's nothing you can say or do for me
And I don't want a miracle
You'll never change for no one

I hear your reasons why
Where did you sleep last night?
And was she worth it was she worth it?

'Cos I'm strong enough
To live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you gotta go

There's no more to say
So save your breath
And then walk away
No matter what I hear you say
I'm strong enough to know you gotta go

So you feel misunderstood
Baby, have I got news for you
On being used, I could write the book
You don't wanna hear about it

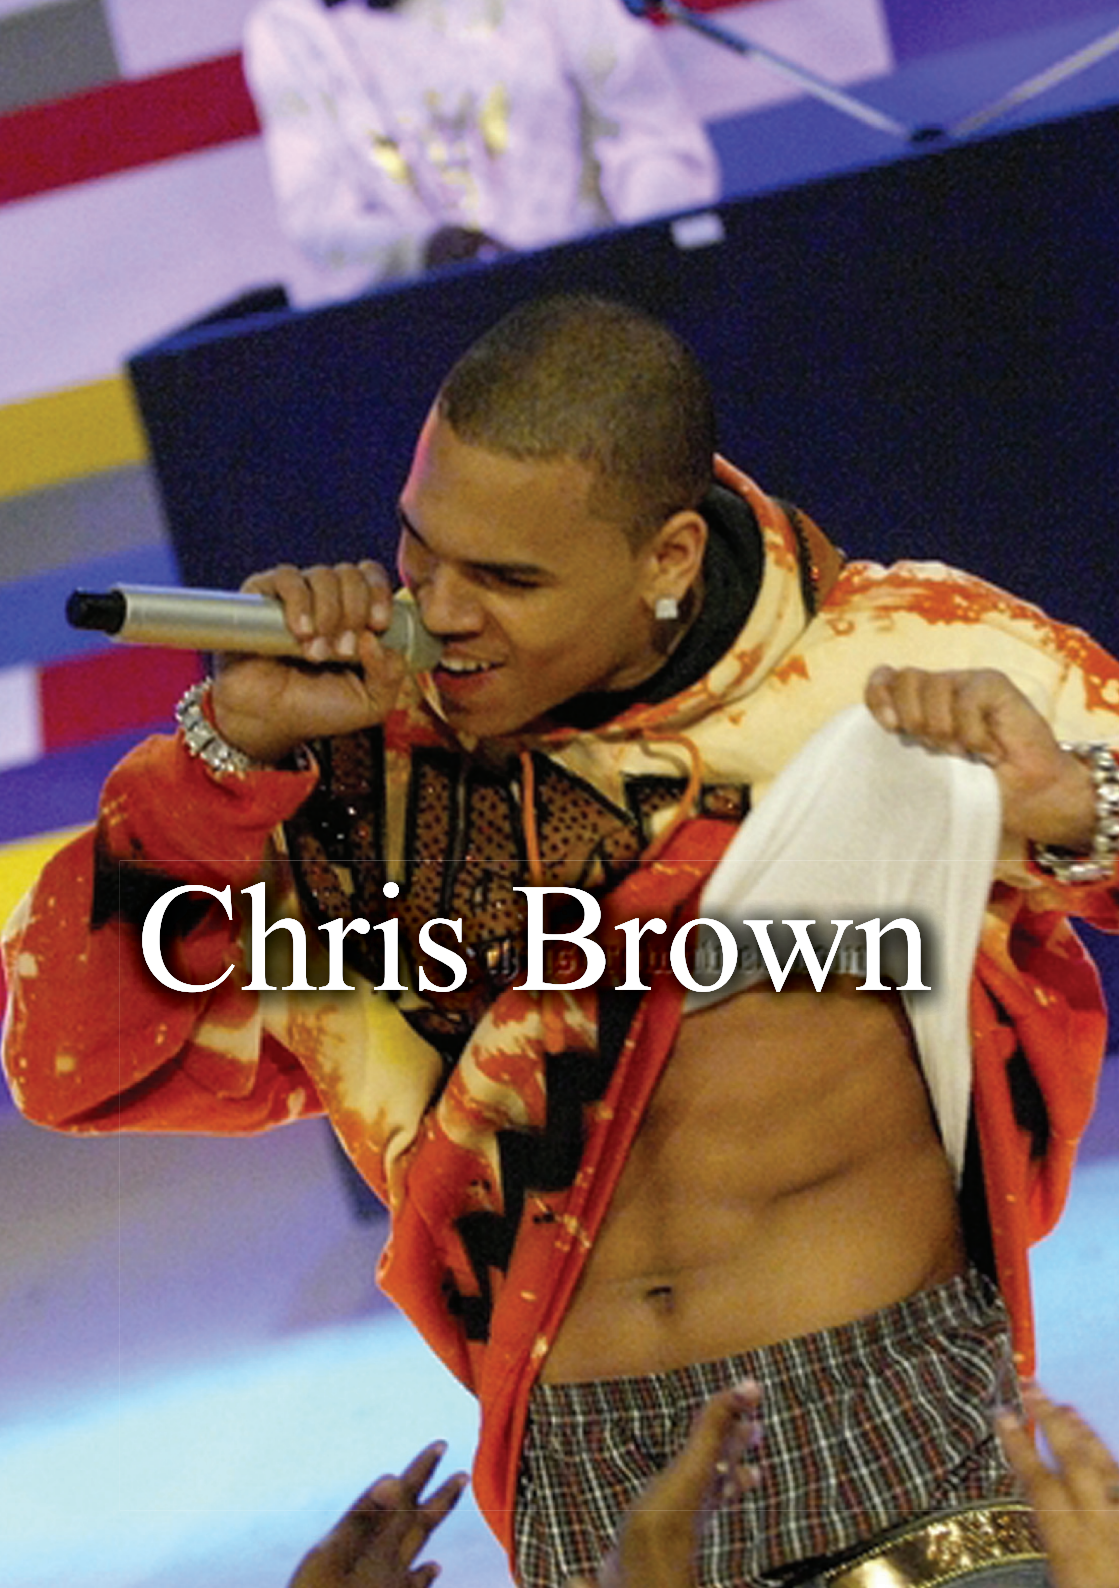

I've been losing sleep
You've been going cheap
She ain't worth half of me it's true
I'm telling you

Now I'm strong enough to live without you
Strong enough and I quite crying
Long enough now I'm strong enough...
To know you've gotta go

Come hell or waters high
You'll never see me cry
This is our last goodbye, it's true

I'm telling you
That I'm strong enough to live without you
Strong enough and I quite crying
Long enough now I'm strong enough
To know you gotta go

There's no more to say
So save your breath
And you walk away
No matter what I hear you say
I'm strong enough to know you've gotta go

Hurt

Seems like it was yesterday when I saw your face
You told me how proud you were but I walked away
If only I knew what I know today

I would hold you in my arms
I would take the pain away
Thank you for all you've done
Forgive all your mistakes
There's nothing I wouldn't do
To hear your voice again
Sometimes I want to call you but I know you won't be there

I'm sorry for blaming you for everything I just couldn't do
And I've hurt myself by hurting you
Some days I feel broke inside but I won't admit
Sometimes I just want to hide 'cause it's you I miss
You know it's so hard to say goodbye when it comes to this

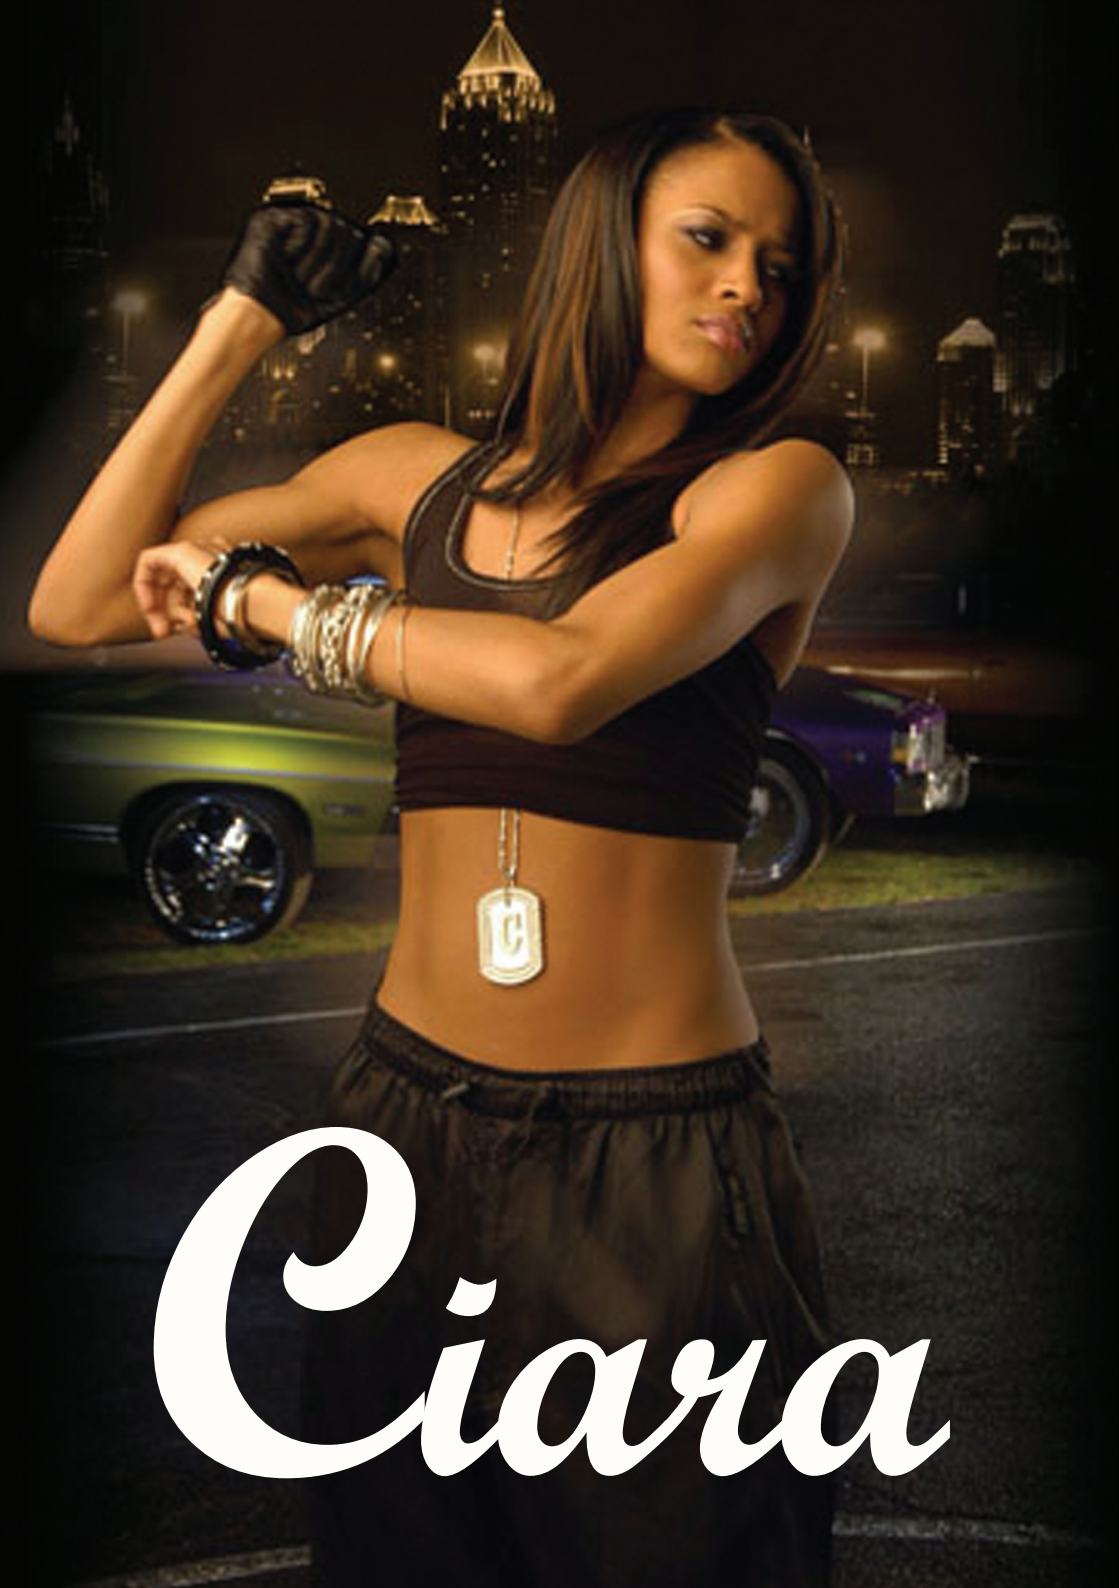

Would you tell me I was wrong?
Would you help me understand?
Are you looking down upon me?
Are you proud of who I am?
There's nothing I wouldn't do
To have just one more chance
To look into your eyes and see you looking back

I'm sorry for blaming you for everything I just couldn't do
And I've hurt myself
If I had just one more day, I would tell you how much that
I've missed you since you've been away

Oh, it's dangerous
It's so out of line to try to turn back time

I'm sorry for blaming you for everything I just couldn't do
And I've hurt myself

By hurting you

Like A Boy

C-I-A-R-A, Come On...

[VERSE 1:]
Pull up your pants, just like him
Take out the trash, just like him
Getting your cash like him, fast like him
Girl u wanna act like he did
I'm talking bout, security codes on everything
On vibrate so your phone don't ever ring
A joint account and another one he don't know about

[Hook:]
Wish we could switch up the roles and I could be bad
Tell you I love you, but when you call, I never get back
Would you ask them questions like me, like where you be at
Cuz I'm out, 4 in the morning on the coner rolling doing my own thing

[Chorus:]
What If I Had A Thing On The Side Made You Cry
Would The Rules Change Up Or Would They Still Apply
If I, Played You Like A Toy
Sometimes I wish I did act Like A Boy
Can't be getting mad What u mad Can't handle that *[x2]*

[Verse 2:]
Girl go ahead and be just like him
Go run the streets just like him
Go home missin sleep like em, Creep like em
Front wit ur friends, Act hard when u with them like him
Keep a straight face when you tell a lie
Always keep an air tight alibi
Keep it hid in the dark
What he don't know won't break his heart

[Hook:]
Wish we could switch up the roles and I could be bad
Tell you I love you, but when you call, I never get back
Would you ask them questions like me, like where you be at
Cuz I'm out, 4 in the morning on the coner rolling doing my own thing

[Chorus:]
What If I Had A Thing On The Side Made You Cry
Would The Rules Change Up Or Would They Still Apply
If I, Played You Like A Toy
Sometimes I wish I did act Like A Boy
Can't be getting mad. What u mad Can't handle that *[x4]*

[Verse 3:]
If I was always gone
Wit the sun getting home (Would you like that?)
I told u I was with my crew when I knew it wasn't true
If I act like u
Walked a mile off in ur shoes (Would you like that?)
Messing with ur head again
Dose of your own medicine

[Chorus:]
What If I Had A Thing On The Side Made You Cry
Would The Rules Change Up Or Would They Still Apply
If I, Played You Like A Toy
Sometimes I wish I did act Like A Boy
Can't be getting mad. What u mad can't handle that *[x4]*

R-A go, here's the clutch...

If I played u (would you like that?)
Had friends (would you like that?)
Never called (would you like that?)
Nah Nah, You wouldn't like that, No!

What if I, made you cry
would they still apply

What If I? If I, played You Like A Toy,
Sometimes I wish I would act Like A Boy

Can't handle that

The Scientist

Come up to meet you, tell you I'm sorry
You don't know how lovely you are

I had to find you
Tell you I need you
Tell you I set you apart

Tell me your secrets
And ask me your questions
Oh let's go back to the start

Running in circles
Coming up tails
Heads on a silence apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard

Oh take me back to the start

I was just guessing
At numbers and figures
Pulling your puzzles apart

Questions of science
Science and progress
Do not speak as loud as my heart

Tell me you love me
Come back and haunt me
Oh and I rush to the start

Running in circles
Chasing our tails
Coming back as we are

Nobody said it was easy
Oh it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard

I'm going back to the start

Bad Day

Where is the moment we needed the most
You kick up the leaves and the magic is lost
They tell me your blue skies fade to grey
They tell me your passion's gone away
And I don't need no carryin' on

You stand in the line just to hit a new low
You're faking a smile with the coffee to go
You tell me your life's been way off line
You're falling to pieces everytime
And I don't need no carryin' on

Cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't mind
You had a bad day
You had a bad day

Well you need a blue sky holiday
The point is they laugh at what you say
And I don't need no carryin' on

You had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't mind
You had a bad day

(Oh.. Holiday..)

Sometimes the system goes on the blink
And the whole thing turns out wrong
You might not make it back and you know
That you could be well oh that strong
And I'm not wrong

So where is the passion when you need it the most
Oh you and I
You kick up the leaves and the magic is lost

Cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
You've seen what you like
And how does it feel for one more time
You had a bad day
You had a bad day

Had a bad day
Had a bad day
Had a bad day
Had a bad day
Had a bad day

SAY MY NAME

[1] - Say my name, say my name
When no one is around you, say baby I love you
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, you ain't callin' me baby
Why the sudden change?

Say my name, say my name
If no one is around you, say baby I love you
If you ain't runnin' game
Say my name, say my name
You actin' kinda shady, ain't callin' me baby
Better say my name

[Beyonce:]
Remember the other day
I would call, you would say
"Baby, how's your day?"
But today, it ain't the same
Every other word is "Uh huh", "Yeah, okay"
Could it be that you are at the crib with another lady If you took it there
First of all, let me say
I am not the one to sit around and be played
So prove yourself to me
I'm the girl that you claim
Why don't you say the things that you said to me yesterday

[2] - I know you say that I am assuming things
Somethings going down, that's the way it seems
Shouldn't be no reason why you're acting strange
If nobody's holding you back from me
Cause I know how you usually do
Where you're saying everything to me times two
Why can't you just tell the truth
If somebody's there, just tell me who

[Repeat 1]

[Beyonce:]
What is up with this
Tell the truth, who you wit'
How would you like it if I came over with my clique
Don't try and change it now
See you've gotta bounce
When two seconds ago, said you just got in the house
It's hard to believe that you are at home by yourself
When I just heard the voice, heard the voice of someone else
Just this question why do you feel you have to lie?
Gettin caught up in your game
When you can not say my name

[Repeat 2]
[Repeat 1]

[Rodney Jenkins]
Where my ladies at
(Yea yea yea yea yea yea)
Can you say that, come on
(Yea yea yea yea, yea yea yea yea, yea yea yea)
All the girls say
(Yea yea yea yea, yea yea yea yea)
What? I can't hear you
(Yea yea yea yea)
All my ladies say
(Yea yea yea yea, yea yea yea yea)
All the girls say
(Yea yea yea yea, yea yea yea yea)
Break it down
(Oh woo, oh)
What what what
D.C., take it to the bridge Come on

[repeat 2]
[Repeat 1 until fade]

MY LOVER'S GONE

My lover's gone
his boots no longer by my door
he left at dawn
and as I slept I felt him go
Returns no more
I will not watch the ocean
My lover's gone
no earthly ships will ever bring him home again
bring him home again

My lover's gone
I know that kiss will be my last
no more his song
the tune upon his lips has passed

I sing alone
while I watch the ocean
My lover's gone
no earthly ships will ever bring him home again
bring him home again

UP IN HERE

[DMX]
Uhh.. UH! .. WHOO!

[Chorus: DMX]

Y'all gon' make me lose my mind
up in HERE up in here
Y'all gon' make me go all out
up in here up in here
Y'all gon' make me act a FOOL
up in HERE up in here
Y'all gon' make me lose my cool
up in here up in here

[DMX]
If I gotsta bring it to you cowards then it's gonna be quick aight
All your mens up in the jail before suck my dick
and all them other cats you run with, get done with, dumb quick
How the fuck you gonna cross the dog with some bum shit? Aight
There go the gun click, nine one one shit
All over some dumb shit, ain't that some shit
Y'all niggaz remind me of a strip club, cause everytime
you come around, it's like (what) I just gotta get my dick sucked
And I don't know who the fuck you think you talkin to
but I'm not him, aight slim? So watch what you do
Or you gon' find yourself, buried next to someone else
and we all thought you loved yourself
But that couldn't have been the issue, or maybe
they just sayin that, now cause they miss you
Shit a nigga tried to diss you
That's why you layin on your back, lookin at the roof of the church
Preacher tellin the truth and it hurts

[Chorus]

[DMX]
Off the chain I leave niggaz soft in the brain
cause niggaz still want the fame, off the name
First of all, you ain't rapped long enough
to be fuckin with me and you, you ain't strong enough
So whatever it is you puffin on that got you think that you Superman

I got the Kryptonite, should I smack him with my dick and the mic?
Y'all niggaz is characters, not even good actors
What's gon' be the outcome? Hmm, let's add up all the factors
You wack, you're twisted, your girl's a hoe
You're broke, the kid ain't yours, and e'rybody know
Your old man say you stupid, you be like, "So?
I love my baby mother, I never let her go"
I'm tired of weak ass niggaz whinin over puss
that don't belong to them, fuck is wrong with them?
They fuck it up for real niggaz like my mans and them
who get it on on the strength of the hands with them, MAN

[Chorus]

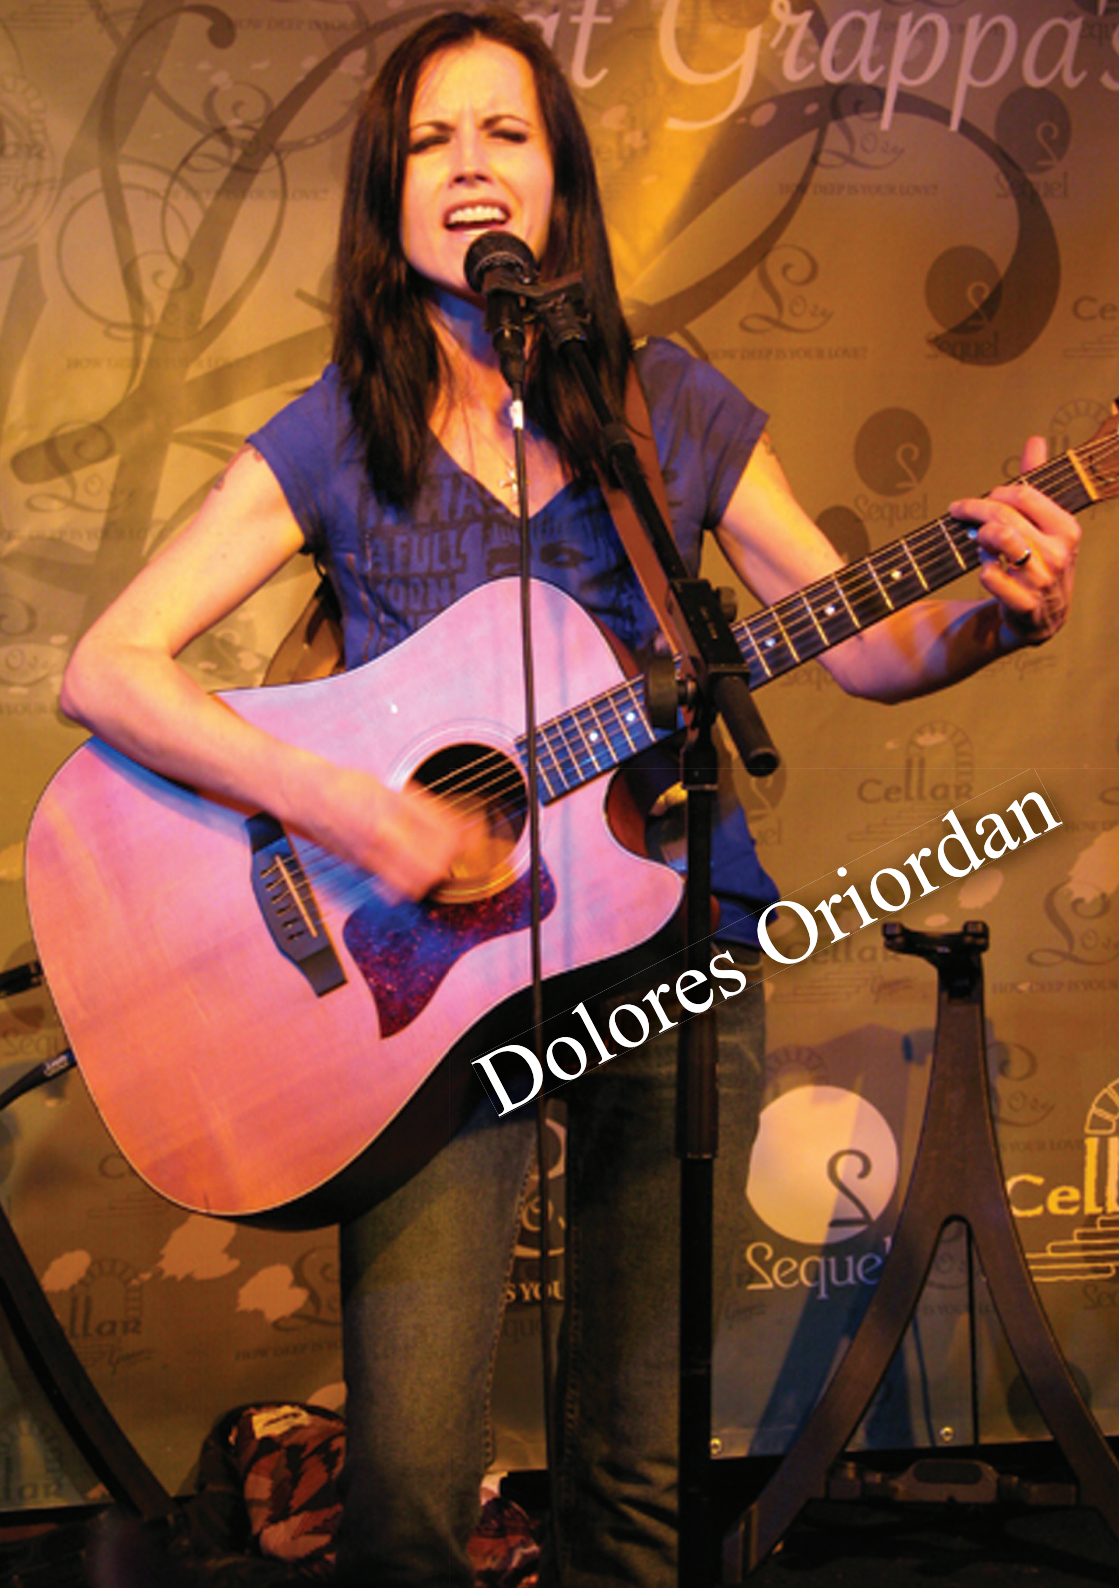

[DMX]
I bring down rains so heavy it curse the head
No more talkin - put him in the dirt instead
You keep walin - lest you tryin to end up red
Cause if I end up fed, y'all end up dead
Cause youse a soft type nigga
Fake up North type nigga
Puss like a soft white nigga
Dog is a dog, blood's thicker than water
We done been through the mud and we quicker to slaughter
The bigger the order, the more guns we brought out
We run up in there, e'rybody come out, don't nobody run out
Sun in to sun out, I'ma keep the gun out
Nigga runnin his mouth? I'ma blow his lung out
Listen, yo' ass is about to be missin
You know who gon' find you? (Who?) Some old man fishin
Grandma wishin your soul's at rest
but it's hard to digest with the size of the hole in your chest

[Chorus]

[DMX]
Hold up! ERRRRRRRR!
One.. two.. meet me outside
meet me outside, meet me outside
All my Ruff Ry-DERS gon' meet me outside
meet me outside, meet me outside
All my big ball-ERS gon' meet me outside

ORDINARY DAY

This is just an ordinary day
Wipe the insecurities away
I can see that the darkness will erode
Looking out the corner of my eye
I can see that the sunshine will explode
Far across the desert in the sky

Beautiful girl
Won't you be my inspiration?
Beautiful girl
Don't you throw your love around
What in the world, what in the world
Could ever come between us?
Beautiful girl, beautiful girl
I'll never let you down
Won't let you down

This is the beginning of your day
Life is more intricate than it seems
Always be yourself along the way
Living through the spirit of your dreams

Beautiful girl
Won't you be my inspiration?
Beautiful girl
Don't you throw your love around
What in the world, what in the world
Could ever come between us?
Beautiful girl, beautiful girl
I'll never let you down
Won't let you down
Down, down...

SACRIFICE

It's a human sign
When things go wrong
When the scent of her lingers
And temptation's strong

Into the boundary
Of each married man
Sweet deceit comes calling
And negativity lands

Cold cold heart
Hard done by you
Some things look better baby
Just passing through

And it's no sacrifice
Just a simple word
It's two hearts living
In two separate worlds
But it's no sacrifice
No sacrifice
It's no sacrifice at all

Mutual misunderstanding
After the fact
Sensitivity builds a prison
In the final act

We lose direction
No stone unturned
No tears to damn you
When jealousy burns

A LITTLE LESS CONVERSATION

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

Baby close your eyes and listen to the music
Drifting through a summer breeze
It's a groovy night and I can show you how to use it
Come along with me and put your mind at ease

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

Come on baby I'm tired of talking
Grab your coat and let's start walking
Come on, come on
Come on, come on
Come on, come on
Don't procrastinate, don't articulate
Girl it's getting late, gettin' upset waitin' around

A little less conversation, a little more action please
All this aggravation ain't satisfactioning me
A little more bite and a little less bark
A little less fight and a little more spark
Close your mouth and open up your heart and baby satisfy me
Satisfy me baby

EMINEM

GET THE GUNS

EMINEM

MOCKING BIRD

Yeah
I know sometimes things may not always make sense to you right now
But hey, what daddy always tell you?
Straighten up little soldier
Stiffen up that upper lip
What you crying about?
You got me

Hailie I know you miss your mom and I know you miss your dad
When I'm gone but I'm trying to give you the life that I never had
I can see you're sad, even when you smile, even when you laugh
I can see it in your eyes, deep inside you want to cry
Cuz you're scared, I ain't there?
Daddy's with you in your prayers
No more crying, wipe them tears
Daddy's here, no more nightmares
We gon' pull together through it, we gon' do it
Laney uncles crazy, aint he?
Yeah but he loves you girl and you better know it
We're all we got in this world
When it spins, when it swirls
When it whirls, when it twirls
Two little beautiful girls
Lookin' puzzled, in a daze
I know it's confusing you

Daddy's always on the move, mamma's always on the news
I try to keep you sheltered from it but somehow it seems
The harder that I try to do that, the more it backfires on me
All the things growing up his daddy that he had to see
Daddy don't want you to see but you see just as much as he did
We did not plan it to be this way, your mother and me
But things have gotten so bad between us
I don't see us ever being together ever again
Like we used to be when we was teenagers
But then of course everything always happens for a reason
I guess it was never meant to be
But it's just something we have no control over and that's what destiny is
But no more worries, rest your head and go to sleep
Maybe one day we'll wake up and this will all just be a dream

[Chorus]
Now hush little baby, don't you cry
Everything's gonna be alright
Stiffen that upper lip up little lady, i told ya
Daddy's here to hold ya through the night
I know mommy's not here right now and we don't know why
We feel how we feel inside
It may seem a little crazy, pretty baby
But i promise momma's gon' be alright

It's funny
I remember back one year when daddy had no money
Mommy wrapped the Christmas presents up
And stuck 'em under the tree and said some of 'em were from me
Cuz daddy couldn't buy 'em
I'll never forget that Christmas I sat up the whole night crying
Cuz daddy felt like a bum, see daddy had a job
But his job was to keep the food on the table for you and mom
And at the time every house that we lived in
Either kept getting broke into and robbed
Or shot up on the block and your mom was saving money for you in a jar
Tryna start a piggy bank for you so you could go to college
Almost had a thousand dollars till someone broke in and stole it
And I know it hurt so bad it broke your momma's heart
And it seemed like everything was just startin' to fall apart
Mom and dad was arguin' a lot so momma moved back
On the Chalmers in the flat one bedroom apartment
And dad moved back to the other side of 8 Mile on Novara
And that's when daddy went to California with his CD and met Dr. Dre
And flew you and momma out to see me
But daddy had to work, you and momma had to leave me
Then you started seeing daddy on the T.V. and momma didn't like it
And you and Laney were to young to understand it
Papa was a rollin' stone, momma developed a habit
And it all happened too fast for either one of us to grab it
I'm just sorry you were there and had to witness it first hand
Cuz all I ever wanted to do was just make you proud
Now I'm sittin in this empty house, just reminiscing
Lookin' at your baby pictures, it just trips me out
To see how much you both have grown, it's almost like you're sisters now
Wow, guess you pretty much are and daddy's still here
Laney I'm talkin' to you too, daddy's still here
I like the sound of that, yeah
It's got a ring to it don't it?
Shh, momma's only gone for the moment

[Chorus]

And if you ask me too
Daddy's gonna buy you a mockingbird
I'mma give you the world
I'mma buy a diamond ring for you
I'mma sing for you
I'll do anything for you to see you smile
And if that mockingbird don't sing and that ring don't shine
I'mma break that birdies neck
I'd go back to the jewler who sold it to ya
And make him eat every carat don't fuck with dad (haha)

THE PING PONG

Do you know *[x3]*

[Chorus]
Do you know what it feels like
loving someone that's in a rush to throw you away.
(Do you know *[x3]*)
Do you know what it feels like
to be the last one to know the lock on the door has changed.

Do you know *[x4]*
Do ya

If birds flying south is a sign of changes
At least you can predict this every year.
Love, you never know the minute it ends suddenly
I can't get it to speak
Maybe finding all the things it took to save us
I could fix the pain that bleeds inside of me
Look in your eyes to see something about me
I'm standing on the edge and I don't know what else to give.

[Chorus]
Do you know what it feels like
loving someone that's in a rush to throw you away.
(Do you know *[x3]*)
Do you know what it feels like
to be the last one to know the lock on the door has changed.

Do you know *[x4]*
Do ya

How can I love you *[x4]*

If you just don't talk to me, babe.

I flow through my act
The question is she needed
And decide all the man I can ever be.
Looking at the last 3 years like I did,
I could never see us ending like this.
(Do you know)
Seeing your face no more on my pillow
Is a scene that's never happened to me.
(Do you know)

But after this episode I don't see,
you could never tell the next thing life could be

[Chorus]
Do you know what it feels like
loving someone that's in a rush to throw you away.
(Do you know *[x3]*)
Do you know what it feels like
to be the last one to know the lock on the door has changed.

Do you know *[x3]*

[Chorus]
Do you know what it feels like
loving someone that's in a rush to throw you away.
(Do you know *[x3]*)
Do you know what it feels like
to be the last one to know the lock on the door has changed.

Do you know *[x7]*

[Chorus]
Do you know what it feels like
loving someone that's in a rush to throw you away
(Do you know *[x3]*)
Do you know what it feels like
to be the last one to know the lock on the door has changed

Do you know *[x3]*

FINAL COUNTDOWN

We're leaving together,

But still it's farewell

And maybe we'll come back,

To earth, who can tell ?

I guess there is no one to blame

We're leaving ground

Will things ever be the same again?

It's the final countdown...

We're heading for Venus and still we stand tall

Cause maybe they've seen us and welcome us all

With so many light years to go and things to be found

I'm sure that we'll all miss her so.

GOING UNDER

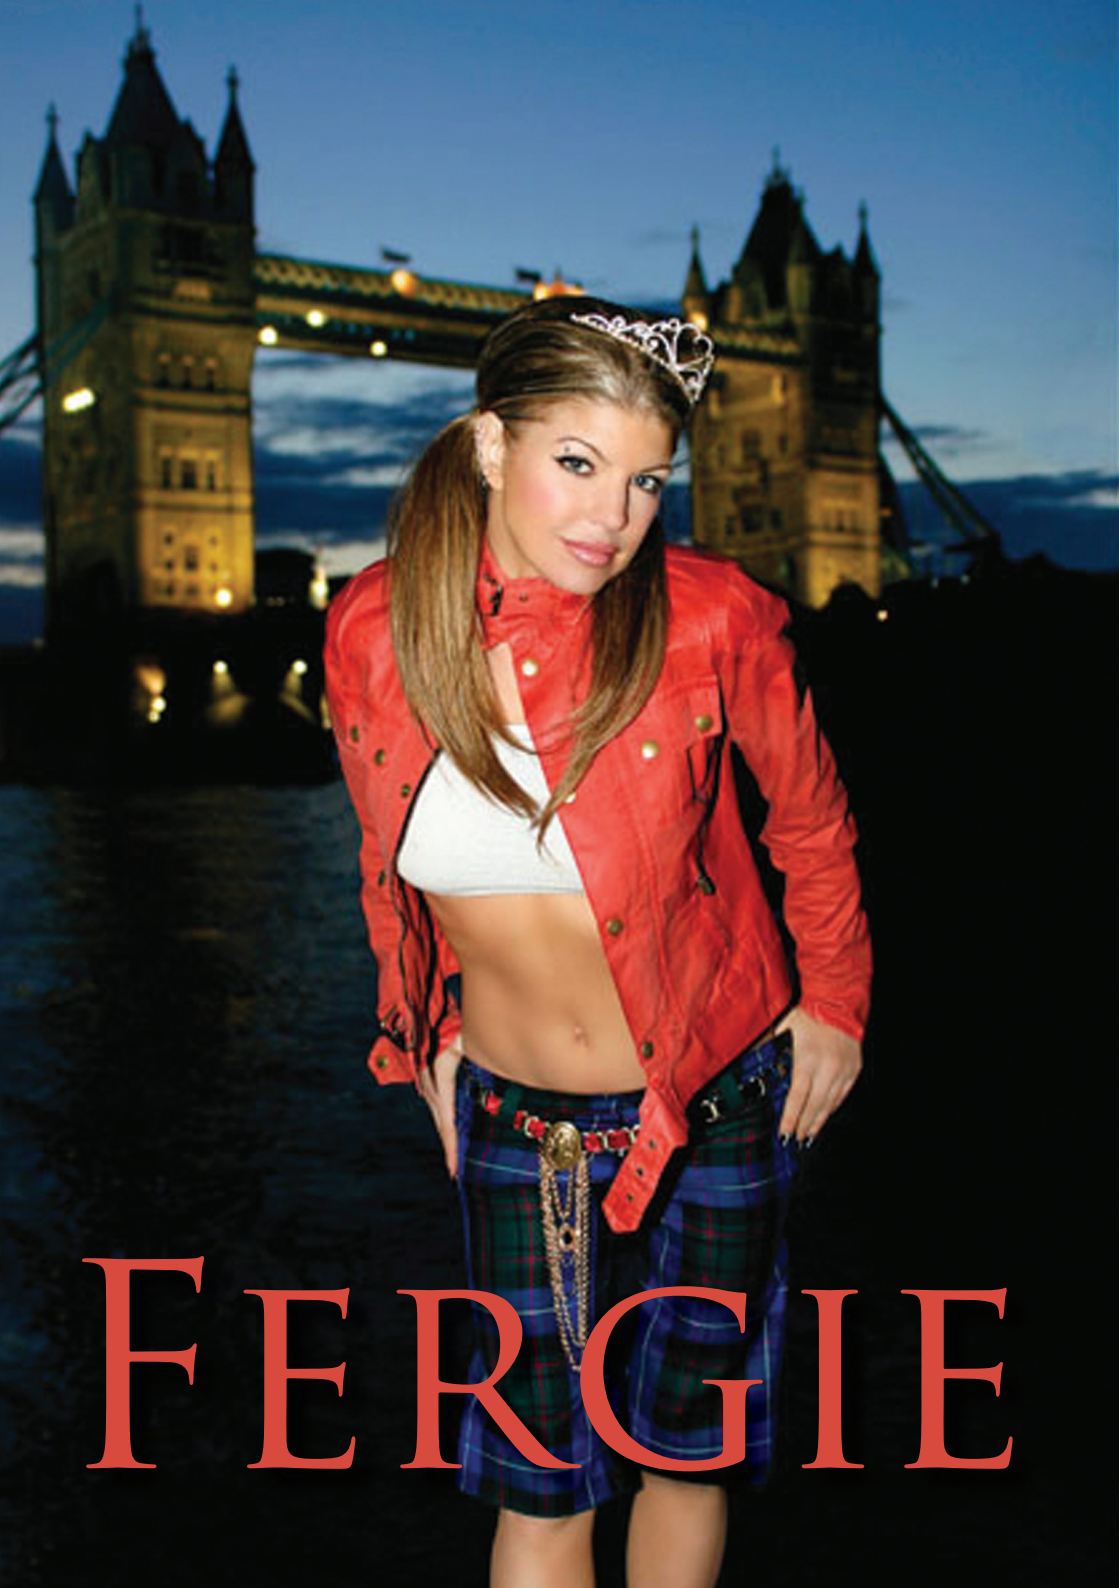

Now I will tell you what I've done for you
50 thousand tears I've cried
Screaming Deceiving and Bleeding for you
And you still won't hear me
(I'm going under)
Don't want your hand this time I'll save myself
Maybe I'll wake up for once
Not tormented daily defeated by you
Just when I thought I'd reached the bottom
I'm dying again

I'm going under
Drowning in you
I'm falling forever
I've got to break through
I'm going under

Blurring and Stirring the truth and the lies
So I don't know what's real and what's not
Always confusing the thoughts in my head
So I can't trust myself anymore
I'm dying again

I'm going under
Drowing in you
I'm falling forever
I've got to break through

So go on and scream
Scream at me I'm so far away
I won't be broken again
I've got to breathe I can't keep going under

Da Da Da Da
The smell of your skin lingers on me now
You're probably on your flight back to your home town
I need some shelter of my own protection baby
To be with myself and center, clarity
Peace, Serenity

[CHORUS:]
I hope you know, I hope you know
That this has nothing to do with you
It's personal, myself and I
We've got some straightenin' out to do
And I'm gonna miss you like a child misses their blanket
But I've got to get a move on with my life
It's time to be a big girl now
And big girls don't cry
Don't cry
Don't cry
Don't cry

The path that I'm walking
I must go alone
I must take the baby steps 'til I'm full grown, full grown
Fairytales don't always have a happy ending, do they?
And I foresee the dark ahead if I stay

[CHORUS]

Like the little school mate in the school yard
We'll play jacks and uno cards
I'll be your best friend and you'll be my Valentine
Yes you can hold my hand if you want to
'Cause I want to hold yours too
We'll be playmates and lovers and share our secret worlds
But it's time for me to go home
It's getting late, dark outside
I need to be with myself and center, clarity
Peace, Serenity

BEST OF YOU

I've got another confession to make
I'm your fool
Everyone's got their chains to break
Holdin' you

Were you born to resist or be abused?
Is someone getting the best, the best, the best, the best of you?
Is someone getting the best, the best, the best, the best of you?

Are you gone and onto someone new?
I needed somewhere to hang my head
Without your noose
You gave me something that I didn't have
But had no use
I was too weak to give in
Too strong to lose
My heart is under arrest again
But I break loose
My head is giving me life or death
But I can't choose
I swear I'll never give in
I refuse

Is someone getting the best, the best, the best, the best of you?
Is someone getting the best, the best, the best, the best of you?
Has someone taken your faith?
Its real, the pain you feel
You trust, you must
Confess
Is someone getting the best, the best, the best, the best of you?
Oh...
Oh...Oh...Oh...Oh...

Has someone taken your faith?
Its real, the pain you feel
The life, the love you'd die to heal
The hope that starts the broken hearts
You trust, you must
Confess
Is someone getting the best, the best, the best, the best of you?
Is someone getting the best, the best, the best, the best of you?

I've got another confession my friend
I'm no fool
I'm getting tired of starting again
Somewhere new

Were you born to resist or be abused?
I swear I'll never give in
I refuse
Is someone getting the best, the best, the best, the best of you?
Is someone getting the best, the best, the best, the best of you?
Has someone taken your faith?
Its real, the pain you feel
You trust, you must
Confess
Is someone getting the best, the best, the best, the best of you?

CHARIOT

Staring at a maple leaf
Leaning on the mother tree
I said to myself we all lost touch
Your favorite fruit is chocolate covered cherries
And seedless watermelon ohhhh
Nothing from the ground is good enough
Body rised
It puts over me

[Chorus:]
Oh chariot your golden waves
are walking down upon this face
Oh chariot I'm singing out loud
To guide me
Give me your...
Strength

Remember seeking moons rebirth
Rains made mirrors of the earth
The sun was just yellow energy
It is a living promise land
Even over fields of sand
Seasons fill my mind and
Cover me
From bringing back
More than a memory

[Chorus]

You'll be my vacation away from this place
You know what I want
Holding that cup,
It's pouring over the sides
Make me wanna spread my arms and fly

CRAZY

I remember when, I remember, I remember when I lost my mind
There was something so pleasant about that place.
Even your emotions had an echo
In so much space

And when you're out there
Without care,
Yeah, I was out of touch
But it wasn't because I didn't know enough
I just knew too much

Does that make me crazy
Does that make me crazy
Does that make me crazy
Probably

And I hope that you are having the time of your life
But think twice, that's my only advice

Come on now, who do you, who do you, who do you, who do you think you are,
Ha ha ha bless your soul
You really think you're in control

Well, I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart to Lose their lives out on a limb
And all I remember is thinking, I want to be like them
Ever since I was little, ever since I was little it looked like fun
And it's no coincidence I've come
And I can die when I'm done

Maybe I'm crazy
Maybe you're crazy
Maybe we're crazy
Probably

WAKE ME UP WHEN SEPTEMBER ENDS

Summer has come and passed
The innocent can never last
Wake me up when September ends

Like my father's come to pass
Seven years has gone so fast
Wake me up when September ends

Here comes the rain again
Falling from the stars

Drenched in my pain again
Becoming who we are

As my memory rests
But never forgets what I lost

Wake me up when Septmber ends

Summer has come and passed
The innocent can never last
Wake me up when Septmber ends

Ring out the bells again
Like we did when spring began

Wake me up when septmber ends

Here comes the rain again
Falling from the stars

Drenched in my pain again
Becoming who we are

As my memory rests
But never forgets what I lost

Wake me up when septmber ends

Summer has come and passed
The innocent can never last
Wake me up when Septmber ends

Like my father's come to pass
Twenty years has gone so fast
Wake me up when September ends

Wake me up when September ends
Wake me up when September ends

GUNS N' ROSES

NOVEMBER RAIN

When I look into your eyes
I can see a love restrained
But darlin' when I hold you
Don't you know I feel the same

'Cause nothin' lasts forever
And we both know hearts can change
And it's hard to hold a candle
In the cold November rain

We've been through this auch a long long time
Just tryin' to kill the pain

But lovers always come and lovers always go
An no one's really sure who's lettin' go today
Walking away

If we could take the time
to lay it on the line
I could rest my head
Just knowin' that you were mine
All mine
So if you want to love me
then darlin' don't refrain
Or I'll just end up walkin'
In the cold November rain

Do you need some time...on your own
Do you need some time...all alone
Everybody needs some time...
on their own
Don't you know you need some time...all alone

I know it's hard to keep an open heart
When even friends seem out to harm you
But if you could heal a broken heart
Wouldn't time be out to charm you

Sometimes I need some time...on my own
Sometimes I need some time...all alone
Everybody needs some time...
on their own
Don't you know you need some time...all alone

And when your fears subside
And shadows still remain
I know that you can love me
When there's no one left to blame
So never mind the darkness
We still can find a way
'Cause nothin' lasts forever
Even cold November rain

Don't ya think that you need somebody
Don't ya think that you need someone
Everybody needs somebody
You're not the only one
You're not the only one

HOLLABACK GIRL

Uh huh, this is my shit
All the girls stomp your feet like this

A few times I've been around that track
So it's not just gonna happen like that
Because I ain't no hollaback girl
I ain't no hollaback girl *[x2]*

Ooooh ooh, this my shit, this my shit *[x4]*

I heard that you were talking shit
And you didn't think that I would hear it
People hear you talking like that, getting everybody fired up
So I'm ready to attack, gonna lead the pack
Gonna get a touchdown, gonna take you out
That's right, put your pom-poms downs, getting everybody fired up

A few times I've been around that track
So it's not just gonna happen like that
Because I ain't no hollaback girl
I ain't no hollaback girl *[x2]*

Ooooh ooh, this my shit, this my shit *[x4]*

So that's right dude, meet me at the bleachers
No principals,no student-teachers
Both of us want to be the winner, but there can only be one
So I'm gonna fight, gonna give it my all
Gonna make you fall, gonna sock it to you
That's right I'm the last one standing, another one bites the dust

A few times I've been around that track
So it's not just gonna happen like that
Because I ain't no hollaback girl
I ain't no hollaback girl *[x2]*

Ooooh ooh, this my shit, this my shit *[x4]*

Let me hear you say this shit is bananas
B-A-N-A-N-A-S
(This shit is bananas)
(B-A-N-A-N-A-S)

Again
This shit is bananas
B-A-N-A-N-A-S
(This shit is bananas)
(B-A-N-A-N-A-S)

A few times I've been around that track
So it's not just gonna happen like that
Because I ain't no hollaback girl
I ain't no hollaback girl *[x2]*

Ooooh ooh, this my shit, this my shit *[x4]*

HILARY DUFF

WITH LOVE

(VERSE ONE)
I don't mind you telling me what's been on your mind lately
I don't mind you speaking up
I know sometimes I can be all wrapped up and into me
I can be in such a rush

(BRIDGE)
Just slow me down, slow me down
Tell me tomorrow everything will be around
Just slow me down, slow me down
You're the one who keeps me on the ground

(CHORUS)
Baby, you can be tough
Say enough is enough
You could even be blunt
Just do it with love, love, love, love
Tell me I'm wrong
That I'm coming on way too strong
Don't think I'll be crushed
Just do it with love, love, love, love
Just do it with love, love, love, love
Just do it with love.

(VERSE TWO)
I can take your honesty, all your words weigh heavily
Listening to you all the time (all the time)
I wanna be there for you, the way you've been there for me
Always help me walk the line (walk the line)

(BRIDGE)
Just slow me down, slow me down
I know you will always be around

(CHORUS)
Baby, you can be tough
Say enough is enough
You could even be blunt
Just do it with love, love, love, love
You could tell me I'm wrong
That I'm coming on way too strong
Don't think I'll be crushed
Just do it with love, love, love, love

(MIDDLE-EIGHT)
All this time we finally know each other
Now that I've been leaning on your shoulder
I can tell you baby that
You're right, when you're right
You're wrong, when you're wrong
And I can be weak 'cause I know you'll be strong

(CHORUS)
Baby, you can be tough
Say enough is enough
You could even be blunt
Just do it with love, love, love, love
You could tell me I'm wrong
That I'm coming on way too strong
Don't think I'll be crushed
Just do it with love, love, love, love

Baby, you can be tough
Say enough is enough
You could even be blunt
Just do it with love, love, love, ,love
You could tell me I'm wrong
That I'm coming on way too strong
Don't think I'll be crushed
Just do it with love, love, love, love
Just do it with love, love, love, love
Just do it with love.

Just do it with love, love, love, love
Just do it with love.

Just do it with love.

SONG

Simona
You're getting older
Your journey's been
Etched on your skin

Simona
Wish I had known that
We seemed so strong
Has been and gone

I will call you up everyday Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

Simona
Wish I was sober
So I could see clearly now
The rain has gone

Simona
I guess it's over
My memory plays our tune
The same old song

I will call you up everyday Saturday night

And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

I will call you up everyday Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

I will call you up everyday Saturday night
And we both stayed out 'til the morning light
And we sang, "Here we go again"
And though time goes by
I will always be
In a club with you
In 1973
Singing "Here we go again"

And though time goes by
I will always be
In a club with you

CALL ON ME

[Janet]
I don't know if I've ever felt like this before
But I'm sure that the way I feel, I don't want it to go
''cause I've cried my share of tears
And I've sang my share of blues
But to keep you over here, I'll do what I got to do

[Janet]
So baby, call on me
Whether day or night, I'll never leave
[Nelly]
See you don't have to be alone
I'll come anywhere you want
Baby just pick up the phone and call on me
[Both]
So you ain't know
I wanna be your homie, lover, friend
See there it go, see there it go

[Nelly]
See I never met a girl that could break me down
It's like I get caught in the middle
I get caught up a little anytime that she's around
I be posted, waitin' on standby
Lookin' to catch the hint
I'm doin' whatever, whenever
Never forget I said I'd be here when you want
To get what you need, if you wanna recieve
Oh, please believe you could

[Janet]
Call on me whether day or night
I'll never leave
[Nelly]
See you don't have to be alone
I'll come anywhere you want
Baby just pick up the phone and call on me

[Both]
So you ain't know
I wanna be your homie, lover, friend

See there it go, see there it go

[Janet]
Call on me
When ya need someone who cares
Say the words and I'll be there
I can meet you anywhere
Call on me
Anytime that you please
Babe, whatever you want
Be whatever you need
Because you're the one I love baby, yeah

[Janet]
Call on me whether day or night
I'll never leave
[Nelly]
See you don't have to be alone
I'll come anywhere you want
Baby just pick up the phone and call on me
[Both]
So you ain't know
I wanna be your homie, lover, friend
See there it go, see there it go, mama

[Nelly]
It don't matter where you go
I'll come anywhere you want me to

[Janet]
It don't matter near or far
It's like anything you say I'll do

[Both]
It don't matter where you go
I'll come anywhere you want me to
It don't matter near or far
It's like anything you say I'll do

Can I hit in the MORNING

And even worse if I was broke would you WANT ME?
If I couldn't get you finer things

would you STILL ROLL?
If we couldn't see the sun risin off the shore of Thailand
would you RIDE THEN, if it wasn't DROPPIN?
If wasn't ah, eight figure *[nigga]* by the name of Jigga
would you come around naked, would you clown me?
If I couldn't flow futuristic would ya
put your two lips on my *[dick]*, kiss it - could ya
see yourself with a *[nigga]* workin harder than 9 to 5
contend with six, two jobs to survive, or
do you need a BALLA? So you can shop and tear the MALL UP?
Brag, tell your friends what I BOUGHT YA
If you couldn't see yourself with a *[nigga]* when his dough is low
Baby girl, if this is so, yo..

[Chorus: x2]

[Jay-Z]
Can I get a WHAT WHAT
to these chickens from all of my doves
who don't love those, they get no dough
[Amil]
Can I get a WOOP WOOP

who don't got love for players without dubs?

[Amil] **Now can you bounce wit me, uhh**
[Jay-Z]
Bounce wit me, bounce wit me
Can ya can ya can ya bounce wit me, bounce wit me
[Amil] **Uh uh.. Major Coins**
[Jay-Z] **Bounce wit me, bounce wit me**
[Amil] **Yeah, not done**
[Jay-Z] **Can ya can ya can ya bounce wit me, bounce wit me**
[Amil] **Uh-uh uh uh**

[Verse Two: Amil]

You ain't gotta be rich but FUNK DAT
How a *[bitch]* gonna get around your BUS PASS
? put this *[ass]* on your mustache
Can you AFFORD ME, my ? ? this, never corny
Ambition makes me, so horny, I come fussin in the
FRONT END, if you got nuttin, baby boy, you betta
"Git Up, Git Out and get somethin" *[Shit!]*

Late nights, candlelight, can I tear the *[cock]* up
Get it up I put it down anytime it pop up
I got to snap em, let it loose, then I knock ya
Feel the juice, then I got ya, when you produce a rocka
I let you meet momma and introduce you to poppa
My, *[shit]* remains in a Gucci name
Never test my patience sweetie, I'm high maintenance
HIGH CLASS, if you ain't rollin, bypass

[Chorus]

[Jay-Z] **Now can you bounce for me, bounce for me**

[Verse Three: Ja]

It ain't even a question

DEAD WRONG, when I tell em BE GONE
So HOLD ON to the feelin of flossin and platinum
cause from NOW ON, you can witness Ja the I-CON

I'M REAL

(feat. Ja Rule)

(What's my motherfuckin' name?)
R-U-L-E
(Blowin' back on this Mary Jane, I'm analyzin' the game)
And the game done chose me
(To bring pain to pussy niggaz and pussy hoes, it's one in the same)
Ever since you told me
(There's only room for two, I've been makin' less room for you)
Now only God can hold me
(Hug me, love me, judge me, the only Man that hovers above me, holla)

I met so many men and
It's like their all the same
My appetite for lovin'
Is now my hunger pain

And when I'm feelin' sexy
Who's gonna comfort me
My only problem is
Their insecurity

[1] - [Jennifer Lopez (Ja Rule)]
(Tired of bein' alone) Yeah, yeah
(Sick of arguin on the phone) Yeah, yeah
(Are you tellin' all your friends) Yeah, yeah
(That your nigga don't understand) My love

[2] - [Jennifer Lopez (Ja Rule)]
Cause I'm real
(The way you walk, the way you move, the way you talk)
Cause I'm real
(The way you stare, the way you look, your style, your hair)
Cause I'm real
(The way you smile, the way you smell, it drives me wild)
Cause I'm real
And I can't go on without you

[Ja Rule]
Girl, I've been thinkin' bout this relationship
And I wanna know is this as good as it gets
Cause we've been through the worst times and the best times
But it was our time, even if it was part-time
Now they've been lookin' at me, smilin' at me, laughin' like we wasn't happy
But not knowin', ever growin' and we're gettin' married
Hard lovin' and straight thuggin'
Bitch, I ain't doin' this shit for nuttin'
I'm here to get it poppin', hoppin, let's ride up in the Benz
Hair blowin' in the wind, sun glistenin' off my skin, hey
I'm nasty, heh, you know me
But you still don't fuck with your baby

[Repeat 2]

[Jennifer Lopez]
Now people lovin' me and hatin' me, treatin' me ungratefully
But not knowin' that they ain't makin' or breakin' me
My life I live it to the limit and I love it
Now I can breathe again, baby, now I can breathe again

Now people screamin' what the deal with you and so and so
I tell them niggas, mind their biz, but they don't hear me though
Cause I live my life to the limit and I love it
Now I could breathe again, baby, now I could breathe again

[Repeat 1]
[Repeat 2 till end]

TOO LITTLE TOO LATE

Come with me
Stay the night
You say the words but boy it don't feel right
What do ya expect me to say (You know it's just too little too late)
You take my hand
And you say you've changed
But boy you know your begging don't fool me
Because to you it's just a game (You know it's just too little too late)

So let me on down
'Cause time has made me strong
I'm starting to move on
I'm gonna say this now
Your chance has come and gone
And you know...

[Chorus:]
It's just too little too late
a little too wrong
And I can't wait
But you know all the right things to say
(You know it's just too little too late)
You say you dream of my face
But you don't like me
You just like the chase
To be real
It doesn't matter anyway (You know it's just too little too late)

Yeah yeaaahhh... It's just too little too late... Mhmmm

[Verse 2:]
I was young
And in love
I gave you everything
But it wasn't enough
And now you wanna communicate (You know it's just too little too late)
Go find someone else
In letting you go
I'm loving myself
You got a problem
But don't come asking me for help
'Cause you know...

[Chorus:]
It's just too little too late
a little too wrong
And I can't wait
But you know all the right things to say
(You know it's just too little too late)
You say you dream of my face
But you don't like me
You just like the chase
To be real
It doesn't matter anyway (You know it's just too little too late)

[Bridge]
I can love with all of my heart, baby
I know I have so much to give (I have so much to give)
With a player like you I don't have a prayer
That's no way to live
Ohhhh... mmm nooo
It's just too little too late
Yeaahhhh...

[Chorus:]
It's just too little too late
a little too wrong
And I can't wait
But you know all the right things to say
(You know it's just too little too late)
You say you dream of my face
But you don't like me
You just like the chase
To be real
It doesn't matter anyway (You know it's just too little too late)

Yeah
You know it's just too little too late
Oh, I can't wait

[Chorus (fading):]
It's just too little too late
a little too wrong
And I can't wait
But you know all the right things to say
(You know it's just too little too late)
You say you dream of my face
But you don't like me
You just like the chase
To be real
It doesn't matter anyway (You know it's just too little too late)

WHAT GOES AROUND.../...COMES AROUND

Hey girl, is he everything you wanted in me
you know i gave you the world
you had me in the palm of your hands
So why your love went away
I just can't seem to understand
thought it was me and you baby
me and you until the end
but I guess I was wrong

[Bridge:]
Don't wanna think about it
Don't wanna talk about it
I'm just so sick about it
can't believe its ending this way
just so confused about it
feeling abused about it
I just can't go without ya
tell me is this fair?

[Chorus:]
Is this the way it's really going down
(is this how we say goodbye?)
should've known better when you came around
(that you were gonna make me cry)
it's breaking my heart to watch you run around
('cause I know that you're living a lie)
but that's okay baby cause in time you will find

What goes around, goes around, goes around,
comes all the way back around *[x4]*

Now girl, I remember everything that you claimed
Said that you were moving on now
Maybe I should do the same (maybe I should do the same)
the funny thing about that is
I was ready to give you my name
Thought it was me and you baby
and now it's all just a shame
and I guess I was wrong

Don't wanna think about it (no)
Don't wanna talk about it (mh)

I'm just so sick about it
Can't believe it's ending this way
just so confused about it
Feeling abused about it
I just can't go without ya
tell me is this fair?

[Chorus:]
Is this the way it's really going down
(is this how we say goodbye?)
should've known better when you came around
(that you were gonna make me cry)
it's breaking my heart to watch you run around
('cause I know that you're living a lie)
but that's okay baby cause in time you will find

What goes around, goes around, goes around,
comes all the way back around *[x4]*

What goes around comes around (yeah)
What goes around comes around (yeah)
you should know that
What goes around comes around (yeah)
What goes around comes around (yeah)
you should know that

Don't wanna think about it (no)
Don't wanna talk about it (mh)
I'm just so sick about it
Can't believe it's ending this way
just so confused about it
Feeling abused about it
I just can't go without ya
tell me is this fair?

[Chorus:]
Is this the way it's really going down
(is this how we say goodbye?)
should've known better when you came around
(that you were gonna make me cry)
it's breaking my heart to watch you run around
('cause I know that you're living a lie)
but that's okay baby cause in time you will find

What goes around, goes around, goes around,
comes all the way back around *[x4]*

[instrumental]

Yo, yo, let me paint this picture for you baby
You spend your nights alone
and he never comes home
and every time you call him all you get
is a busy tone
I heard you found out
that he's doing to you what you did to me
and that's the way it goes
When you cheated girl
my heart bleeded girl
so it goes without saying
that you let me feeling hurt
Just a classic case, it's a scenario
tell this all this time
Girl you got what you deserved
and now you want somebody
to cure the lonely nights
You wish you had somebody
that could come and make it right
but girl I ain't somebody
(?whippin'????) out of sympathy
See, see

What goes around comes back around
I thought i told ya, hey, hey (4x)

[laughing]
See?
Should've listened to me baby
Because
What goes around comes back around
[laughing]

STRONGER

N- n- now th- that don't kill me
Can only make me stronger
I need you to hurry up now
cause I can't wait much longer
I know I got to be right now
Cause I can't get much wronger
Man I've been waitin' all night now
That's how long I've been on ya

I need you right now
I need you right now

Let's get lost tonight
You could be my black Kate Moss tonight
Play secretary, I'm the boss tonight
And you don't give a fuck what they all say right?
Awesome, the Christian and and Christian Dior
Damn, they don't make 'em like this anymore
I ask, cause I'm not sure
Do anybody make real shit anymore?
Bow in the presence of greatness
Cause right now thou has forsaken us
You should be honored by my lateness
That I would even show up to this fake shit
So go ahead go nuts go ape shit
Especially in my pastel on my bape shit
Act like you can't tell who made this
New gospel homey, take six, and take this, haters

N- n- now th- that don't kill me
Can only make me stronger
I need you to hurry up now
Cause I can't wait much longer
I know I got to be right now
Cause I can't get much wronger
Man I've been waitin' all night now
That's how long I've been on ya

I need you right now
I need you right now

Me likey
I don't know if you got a man or not,
If you made plans or not
God put me in the plans or not
I'm trippin' this drink got me sayin' a lot
But I know that God put you in front of me
So how the hell could you front on me?
There's a thousand you's, there's only one of me
I'm trippin', I'm caught up in the moment right?
This is Louis Vuitton Don night
So we gonna do everything that Kan like
Heard they'd do anything for a Klondike
Well I'd do anything for a blonde-dike
And she'll do anything for the limelight
And we'll do anything when the time's right
Ugh, baby, you're makin' it (harder, better, faster, stronger)

N- n- now th- that don't kill me
Can only make me stronger
I need you to hurry up now
Cause I can't wait much longer
I know I got to be right now
Cause I can't get much wronger
Man I've been waitin' all night now
That's how long I've been on ya

I need you right now
I need you right now

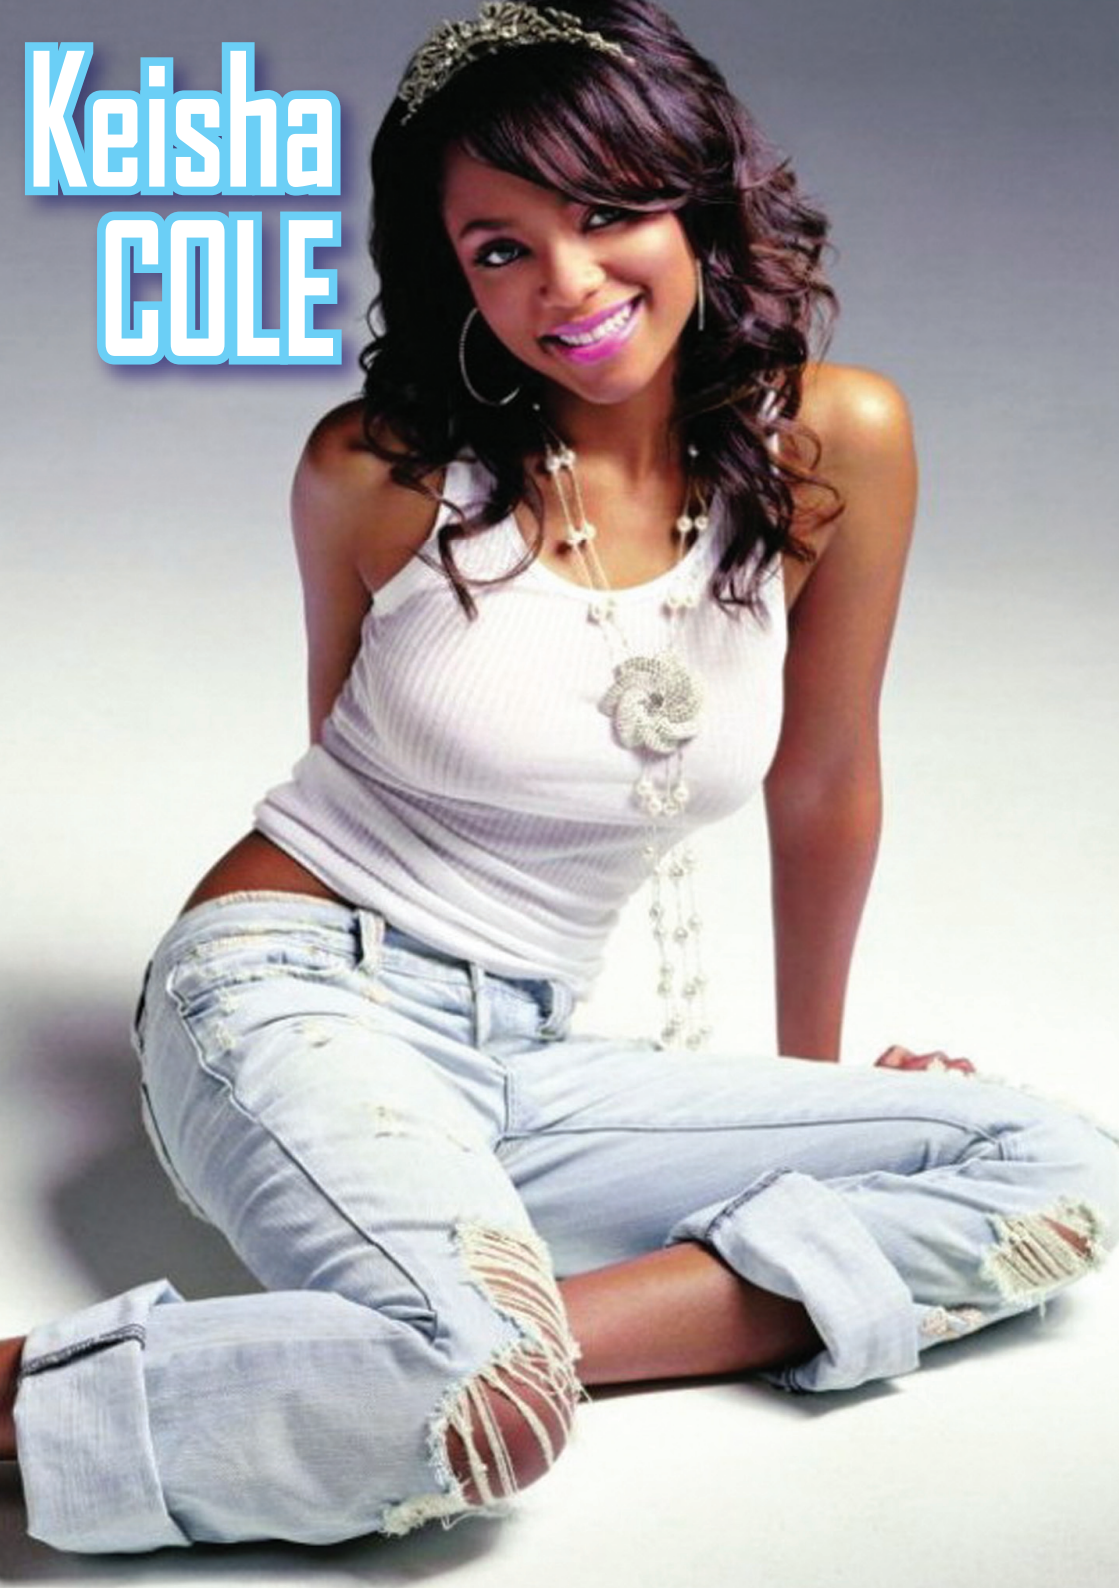

You know how long I've been on ya?
Since Prince was on Apollonia
Since OJ had Isotoners
Don't act like I never told ya *[x6]*
Baby, you're making it (harder, better, faster, stronger)

N- n- now th- that don't kill me
Can only make me stronger
I need you to hurry up now
Cause I can't wait much longer
I know I got to be right now
Cause I cant get much wronger
Man I've been waitin' all night now
That's how long I've been on ya

I need you right now *[x4]*

You know how long I've been on ya?
Since Prince was on Apollonia
Since OJ had Isotoners
Don't act like I never told ya
Never told ya *[x4]*

Never over *[x8]*

If he ain't gonna treat you

[Lil Kim]
Here's a little lesson Lil Kim don't stress em

Kick em all straight to the curb like Beckham
Broke up wit my Ex he wit her for now but
Little do she know she just a rebound
Callin my phone she so outta pocket
I been there before o'girl you need to stop it
Trickin on me when he tell you he ain't got it
You don't get the picture
My pictures in his wallet
Never ever thought I would leave him alone
But I let a dog roam now he wanna come home
But I
Don't trust him
Though I still love him
No longer want him
Lookin at his cousin
Kinda buzzin
Loose off the goose
Got him on a chase like cranberry juice
When he's wit you he's wishin it was me
You might be where he's at but I'm where
He wanna be (Baby Baby!)

Let It Go
Let It Go Let It Go Let It Go
Let It Go Let It Go Let It Go
Let It Go Let It Go Let It Go

[Chorus]
If he ain't gonna love you
The way he should
Then let it go
If he ain't gonna treat you
The way he should
Then let it go

If he ain't gonna love you
The way he should
Then let it go
And if he ain't gonna treat you

KELLY CLARKSON

BECAUSE OF YOU

I will not make the same mistakes that you did
I will not let myself
Cause my heart so much misery
I will not break the way you did,
You fell so hard
I've learned the hard way
To never let it get that far
Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid
I lose my way
And it's not too long before you point it out
I cannot cry
Because I know that's weakness in your eyes
I'm forced to fake
A smile, a laugh everyday of my life
My heart can't possibly break
When it wasn't even whole to start with
Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid
I watched you die
I heard you cry every night in your sleep
I was so young
You should have known better than to lean on me
You never thought of anyone else
You just saw your pain
And now I cry in the middle of the night
For the same damn thing
Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I try my hardest just to forget everything
Because of you
I don't know how to let anyone else in
Because of you
I'm ashamed of my life because it's empty
Because of you
I am afraid
Because of you
Because of you

IN YOUR EYES

What on earth am I meant to do
In this crowded place there is only you
Was gonna to leave now I have to stay
You have taken my breath away

Is the world still spinning around
I dont feel like coming down

Its in your eyes
I can tell what your thinking
My heart is sinking too
Its no surprise
Ive been watching you lately
I want to make it with you

Destiny has a funny way
When it comes and takes all your cares away
I cant think of a single thing
Other than what a beautiful state Im in

Is the world still spinning around
I dont feel like coming down

Its in your eyes
I can tell what your thinking
My heart is sinking too
Its no surprise
Ive been watching you lately
I want to make it with you

LIMP BIZKIT

NOOKIE

I came into this world as a reject
Look into these eyes
Then you'll see the size of these flames
Dwellin on the past
Its burnin' up my brain
Everyone that burns has to learn from the pain
Hey I think about the day
My girlie ran away with my pay
When fellas come to play
No she stuck with my homeez that she fucked
And I'm just a sucker with a lump in my throat
Hey, like a chump
Should I be feelin' bad? No
Should I be feelin good? No
Its kinda sad I'm the laughin' stock of the neighborhood
You would think that I'd be movin' on
But I'm a sucker like I said
Fucked up in the head, not!!
Maybe she just made a mistake
I should give her a break
My heart will ache either way
Hey, what the hell
Watcha want me to say
I wont lie that I cant deny

[Chorus]
I did it all for the nookie
C'mon
The nookie
C'mon
So you can take that cookie
And stick it up your, yeah!!
Stick it up your, yeah!!
Stick it up your, yeah!!
Why did it take so long?
Why did I wait so long, huh
To figure it out? but I did it
And I'm the only one underneath the sun who didn't get it
I cant believe that I can be deceived
By my so called girl, but in reality
Had hidden agenda
She put my tender heart in a blender
And still I surrendered
Hey, like a chump

[chorus]

I'm only human
Its so easy for your friends to give you their advice
They tell you to let it go
But its easier said then done
I appreciate it
I do, but just leave me alone
Leave me alone
Just leave me alone!!
Just leave me alone!
Aint nothin' gonna change
If you can go away
Im just gonna stay here and always be the same
Aint nothin' gonna change
If you can go away
Im just gonna stay here and always be the same
Aint nothin' gonna change
If you can go away
Im just gonna stay here and always be the same

[Chorus]

LINKIN PARK

NUMB

I'm tired of being what you want me to be
Feeling so faithless lost under the surface
Don't know what you're expecting of me
Put under the pressure of walking in your shoes
(Caught in the undertow just caught in the undertow)
Every step that I take is another mistake to you
(Caught in the undertow just caught in the undertow)

[Chorus]
I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

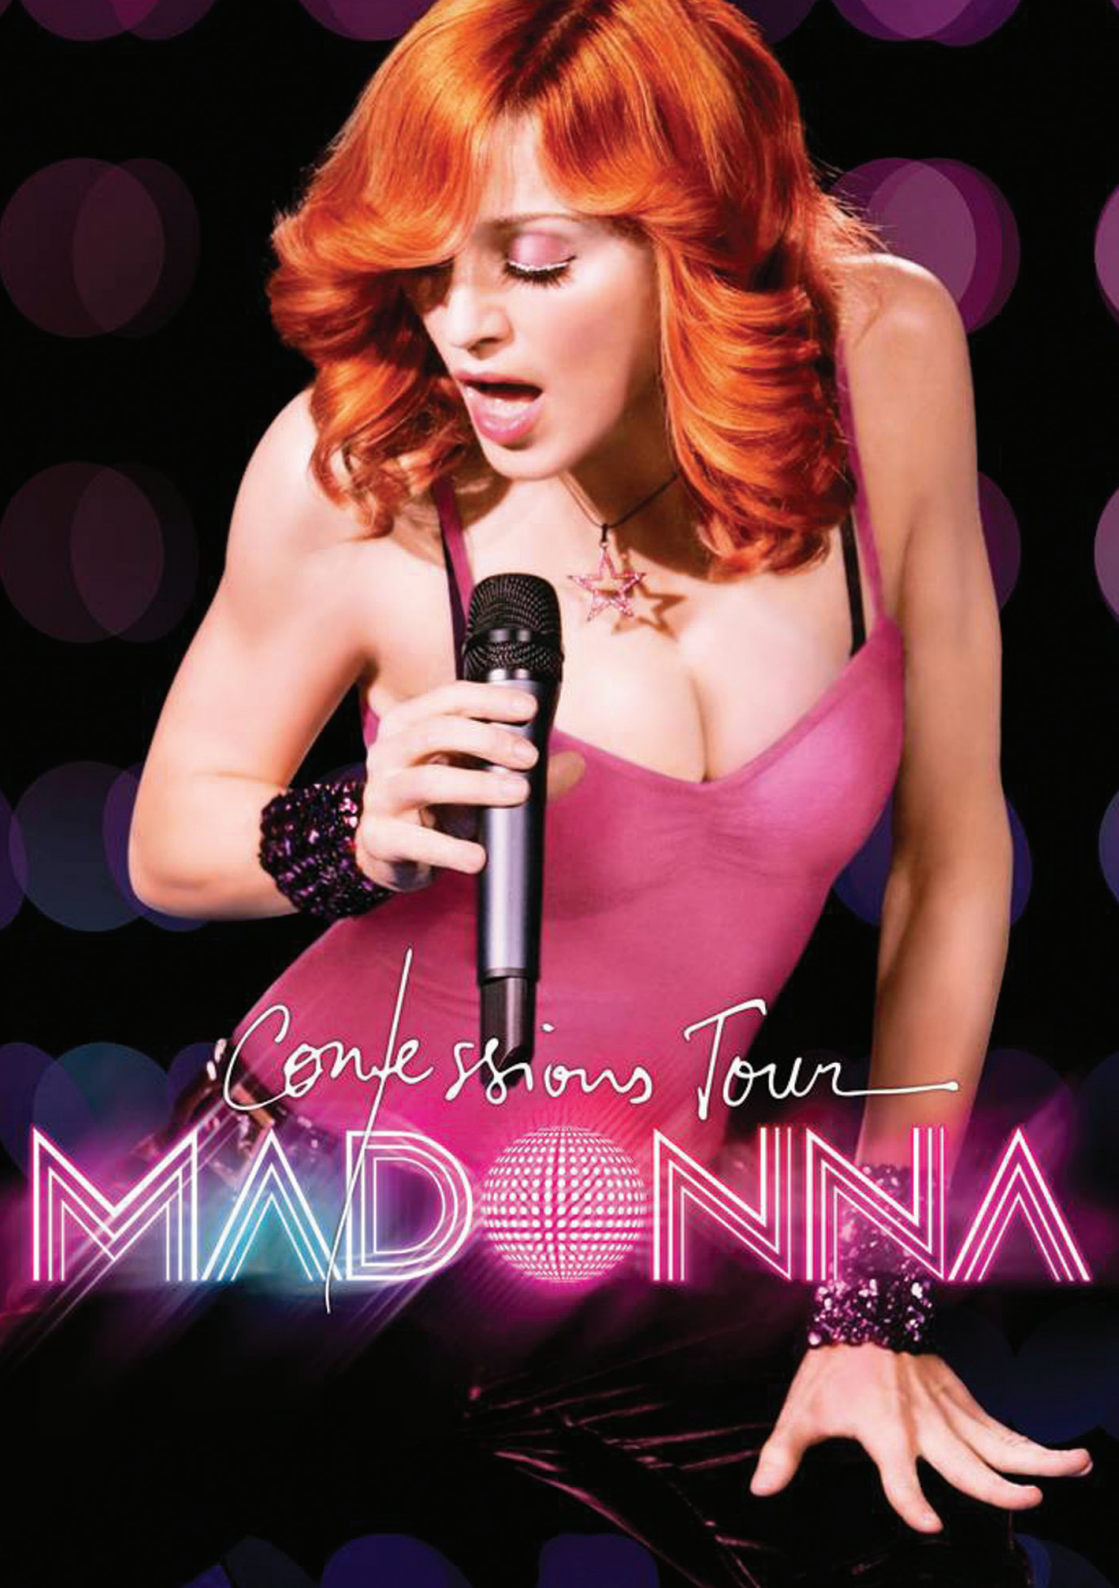

Can't you see that you're smothering me
Holding too tightly afraid to lose control
Cause everything that you thought I would be
Has fallen apart right in front of you
(Caught in the undertow just caught in the undertow)
Every step that I take is another mistake to you
(Caught in the undertow just caught in the undertow)
And every second I waste is more than I can take

[Chorus]
I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

And I know
I may end up failing too
But I know
You were just like me with someone disappointed in you

[Chorus]
I've become so numb I can't feel you there
Become so tired so much more aware
I'm becoming this all I want to do
Is be more like me and be less like you

[Chorus]
I've become so numb I can't feel you there
I'm tired of being what you want me to be
I've become so numb I can't feel you there
I'm tired of being what you want me to be

MAROON 5

THIS LOVE

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye and she got on a plane
Never to return again
But always in my heart

This love has taken its toll on me
She said Goodbye too many times before
And her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

This love has taken its toll on me
She said Goodbye too many times before
And her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

I'll fix these broken things
Repair your broken wings
And make sure everything's alright
My pressure on your hips
Sinking my fingertips
Into every inch of you
Cause I know that's what you want me to do

This love has taken its toll on me
She said Goodbye too many times before
And her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

This love has taken its toll on me
She said Goodbye too many times before
And my heart is breaking in front of me
She said Goodbye too many times before

This love has taken its toll on me
She said Goodbye too many times before
And her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore...

NOTHING ELSE MATTERS

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters

Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

Never opened myself this way
Life is ours, we live it our way
All these words I don't just say
And nothing else matters

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
And I know

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
No nothing else matters

SAVE THE LAST DANCE FOR ME

You can dance-every dance with the guy
Who gives you the eye,let him hold you tight
You can smile-every smile for the man
Who held your hand neath the pale moon light
But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

Oh I know that the musics fine
Like sparklin' wine,go and have your fun
Laugh and sing,but while we're apart
Don't give your heart to anyone
But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

Baby don't you know I love you so
Can't you feel it when we touch
I will never never let you go
I love you oh so much

You can dance, go and carry on
Till the night is gone
And it's time to go
If he asks if you're all alone
Can he walk you home, you must tell him no
'Cause don't forget who's taking you home
And in whose arms you're gonna be
So darling,save the last dance for me

'Cause don't forget who's taking you home
And in whose arms you're gonna be
So darling,save the last dance for me
Save the last dance for me
Save the last dance for me.

RELAX (TAKE IT EASY)

Took a right to the end of the line
Where no one ever goes.
Ended up on a broken train with nobody I know.
But the pain and the (longings) the same.
(Where the dying
Now I'm lost and I'm screaming for help.)
Relax, take it easy
For there is nothing that we can do.
Relax, take it easy
Blame it on me or blame it on you.
It's as if I'm scared.
It's as if I'm terrified.
It's as if I scared.
It's as if I'm playing with fire.
Scared.
It's as if I'm terrified.
Are you scared?
Are we playing with fire?
Relax
There is an answer to the darkest times.
It's clear we don't understand but the last thing on my mind
Is to leave you.
I believe that we're in this together.
Don't scream - there are so many roads left.
Relax, take it easy
For there is nothing that we can do.
Relax, take it easy
Blame it on me or blame it on you.
Relax, take it easy
For there is nothing that we can do.
Relax, take it easy
Blame it on me or blame it on you.
Relax, take it easy
For there is nothing that we can do.
Relax, take it easy
Blame it on me or blame it on you.
Relax, take it easy
For there is nothing that we can do.
Relax, take it easy
Blame it on me or blame it on you.
It's as if I'm scared.
It's as if I'm terrified.
It's as if I scared.
It's as if I'm playing with fire.
Scared.
It's as if I'm terrified.
Are you scared?
Are we playing with fire?
Relax

PORCELAIN

In my dreams I'm dying all the time
As I wake its kaleidoscopic mind
I never meant to hurt you
I never meant to lie
So this is goodbye
This is goodbye

Tell the truth you never wanted me
Tell me

In my dreams I'm jealous all the time
As I wake I'm going out of my mind
Going out of my mind

In My Own Words

SO SICK

Mmmm mmm yeah
Do do do do do do do-do
Ohh Yeah

Gotta change my answering machine
Now that I'm alone
Cuz right now it says that we
Can't come to the phone
And I know it makes no sense
Cuz you walked out the door
But it's the only way I hear your voice anymore
(it's ridiculous)
It's been months
And for some reason I just
(can't get over us)
And I'm stronger than this
(enough is enough)
No more walkin round
With my head down
I'm so over being blue
Cryin over you

And I'm so sick of love songs
So tired of tears
So done with wishing you were still here
Said I'm so sick of love songs so sad and slow
So why can't I turn off the radio?

Gotta fix that calender I have
That's marked July 15th
Because since there's no more you
There's no more anniversary
I'm so fed up with my thoughts of you
And your memory
And how every song reminds me
Of what used to be

That's the reason I'm so sick of love songs
So tired of tears
So done with wishing you were still here
Said I'm so sick of love songs so sad and slow
So why can't I turn off the radio?

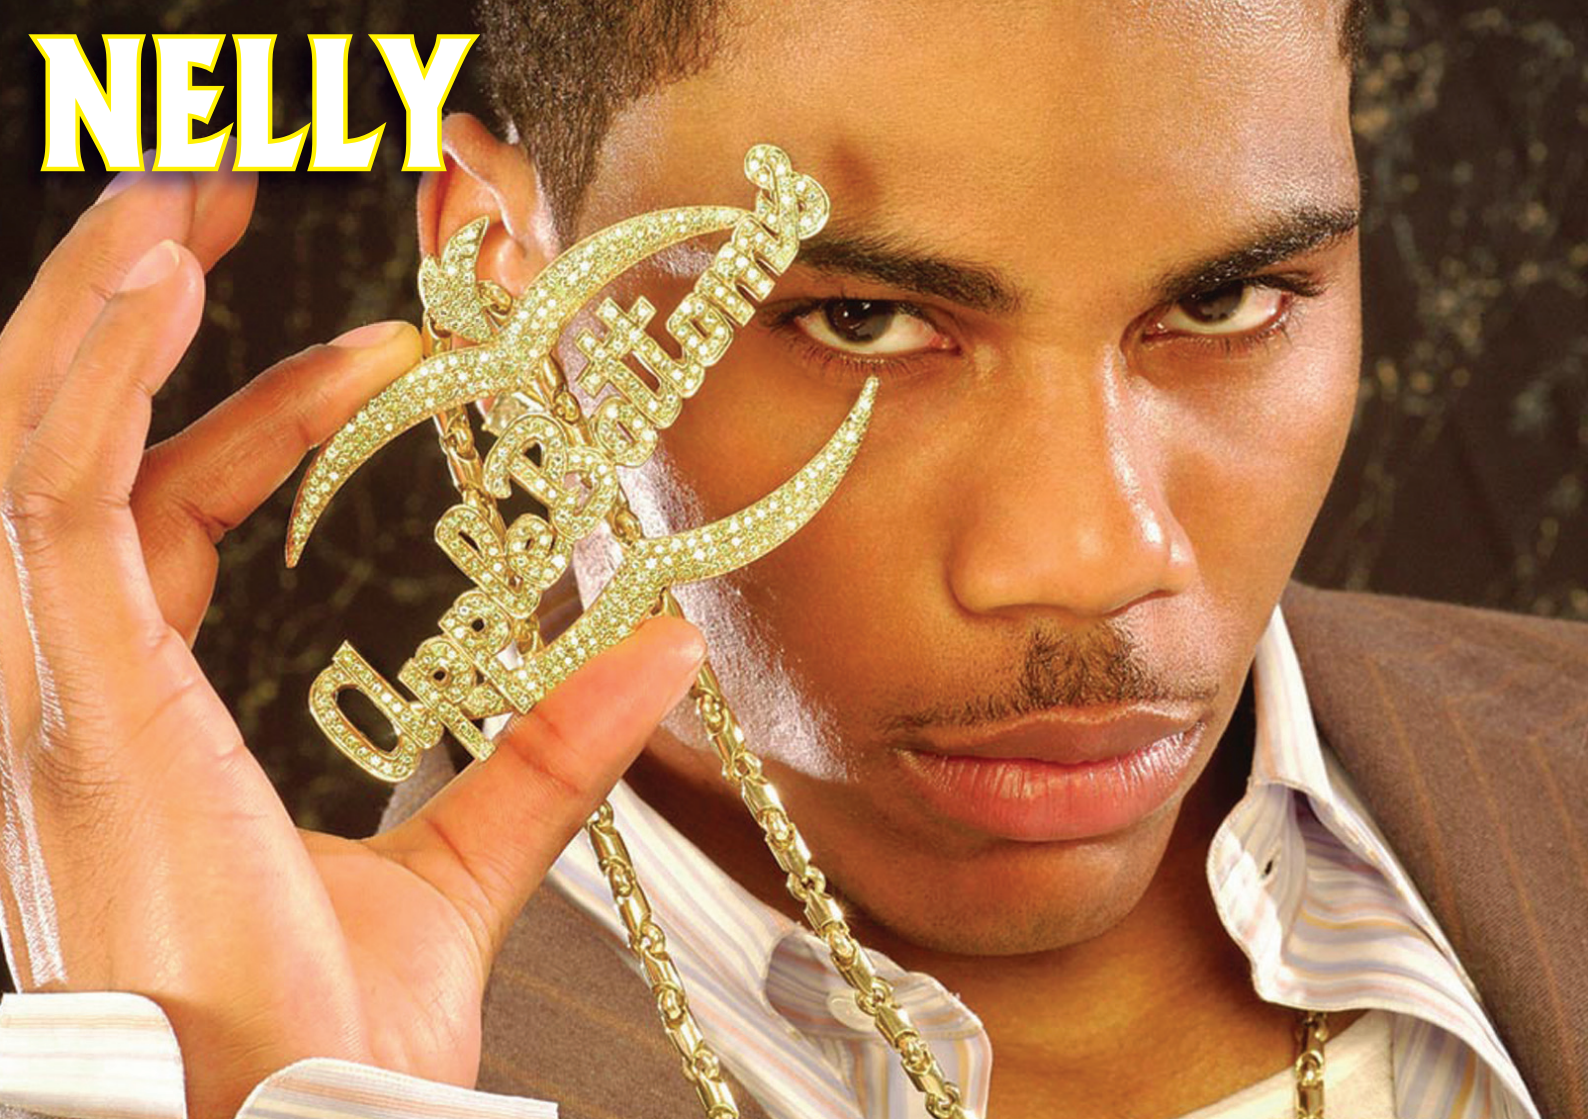

(Leave me alone)
Leave me alone
(Stupid love songs)
Dont make me think about her smile
Or having my first child
I'm letting go
Turning off the radio

Cuz I'm so sick of love songs
So tired of tears
So done with wishing she was still here
Said I'm so sick of love songs so sad and slow
So why can't I turn off the radio?
(why can't I turn off the radio?)

Said I'm so sick of love songs
So tired of tears
So done with wishing she was still here
Said I'm so sick of love songs so sad and slow
So why can't I turn off the radio?
(why can't I turn off the radio?)

And I'm so sick of love songs
So tired of tears
So done with wishin she was still here
Said I'm so sick of love songs so sad and slow

Why can't I turn off the radio?
(why can't I turn off the radio?)
Why can't I turn off the radio?

GIVE IT TO ME

[Justin Timberlake]
Is it going? Is it going?
Is it going? Is it going?
I don't know.. what you're lookin' for

Oh yea boss
Come on

[Nelly Furtado]
I'm the type of girl to look you dead in the eye-eye
I'm real as it come if you don't know why I'm fly
Seen you tryna switch it up but girl you ain't that dope
I'm a Wonder Woman, let me go get my rope
I'm a supermodel and mami, see mami
Amnesty International got bankrupt, I'm on top, on lock
love my ass and my abs in the video of "Promiscuous"
My style is ri-dic-dic-diculous, 'diculous, 'diculous

[Nelly + (Justin)]
If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't hear to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

[Justin Timberlake]
When Timbo is in the party, everybody put up they hands
I get a half a mil' for my beats, you get a couple gra-an-and

Never gon' see the day that I ain't got the upper hand
I'm respected from Californ-I-A, all the way down to Japan
I'm a real producer and you just a piano man
Your songs don't top the charts, I heard 'em, I'm not a fa-an-an
Niggas talkin' greasy, I'm the one that gave them they chance
Somebody need to tell them that they can't do it like I can

[Nelly + (Justin)]
If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't hear to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

[Justin Timberlake]
Could you speak up and stop mu-mumbling, I don't think you came in clear
When you're sittin' on the top, it's hard to hear you from way up here
I saw you tryin' to act cute on TV, "Just let me clear the air..."
We missed you on the charts last week, damn, that's right you wasn't there
If se-sexy never left, then why's everybody on my shi-it-it
Don't hate on me just because you didn't come up with it
So if you see us in the club, go on and walk the other way
Cause our run will never be over, not at least until we say

[Nelly + Justin]
If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't hear to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

[Nelly (Justin)]
Oh.. (Damn, improve)
Oh.. (Damn, improve)

Oh.. (Damn, improve)
Oh.. (Damn, improve)

Oh.. (Damn, improve)
Oh.. (Damn, improve)
Oh.. (Damn, improve)
Oh.. (Damn, improve)

[Nelly + Justin]
... club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't hear to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

If you see us in the club, we'll be actin' real nice
If you see us on the floor, you'll be watchin' all night
We ain't hear to hurt nobody
(So give it to me, give it to me, give it to me)
Wanna see you work your body
(So give it to me, give it to me, give it to me)

OASIS

DON'T LOOK BACK IN ANGER

Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd once never been
All the things that you've seen
Will slowly fade away

So I start the revolution from my bed
Cos you said the brains I have went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

So Sally can wait, she knows its too late as we're walking on by
Her soul slides away, but don't look back in anger I hear you say

Take me to the place where you go
Where nobody knows if it's night or day
Please don't put your life in the hands
Of a Rock n Roll band
Who'll throw it all away

So I start the revolution from my bed
Cos you said the brains I have went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

So Sally can wait, she knows its too late as we're walking on by
Her soul slides away, but don't look back in anger I hear you say

Don't look back in anger
Don't look back in anger
Don't look back in anger
At least not today

OBIE TRICE

GET SOME TEETH

Obie Trice - talking]
WOO!

Damn ..
There's a lot of bitches up in here tonight boy
I'm about to get drunk
Let's hold down,
Where the bar at?
[*crashing noise*]

[Verse 1]

Okay, okie dokey Obie's here
No more focus, hobo's got a career
And I like your brassiere and there's a party in here
And I'm ready to talk naughty in Veronica's ear
She erotic and it's hot, saw Heineken beer
Put her to the side and invite here to "Cheers"
Pull up a chair, nigga swear no drama
prepare for a player your workin with a MONSTER [*yelling*]
I ain't got time to waste, let's vacate the place
Shut blinds and drapes, grind to your face in a grimy state
Concentrate, you will find that your bound to get
But we found what's fate
We can watch two incredible mates masterbate
Why settle and wait
Let's Escalade to the nearest Super 8
To your rear is on the mirrors and they smearin booty cheeks
C'mon

[Chorus - 2X]

And this is my favorite song
Now sing along when the DJ throws it on
And if I leave here tonight and I fall asleep
And wake up, [*sound of water dropping*], hopefully she got some teeth

[Verse 2]

Okay holy moly derriere
Look around the club booty everywhere
She caught me starin
And my homies darin me to approach Karen
She's model material, but she got a venereal
Tons of baby fathers', baby bottles and cereal
She holla cause I got a lot of denerio
The DJ's playin Obie song on the stereo
And she's impaired and she wants to be headin home
With the real thing not the dildo clone
And I know I don't wanna be headin home
With some double D's full of silicone
Ten hoodrat chicks surround me outside
Found me outside, clown me outside
'Til I popped da trunk and they found me outside
Cussin' at the bitches screamin "off to they rides!"

[Chorus]

[Verse 3]

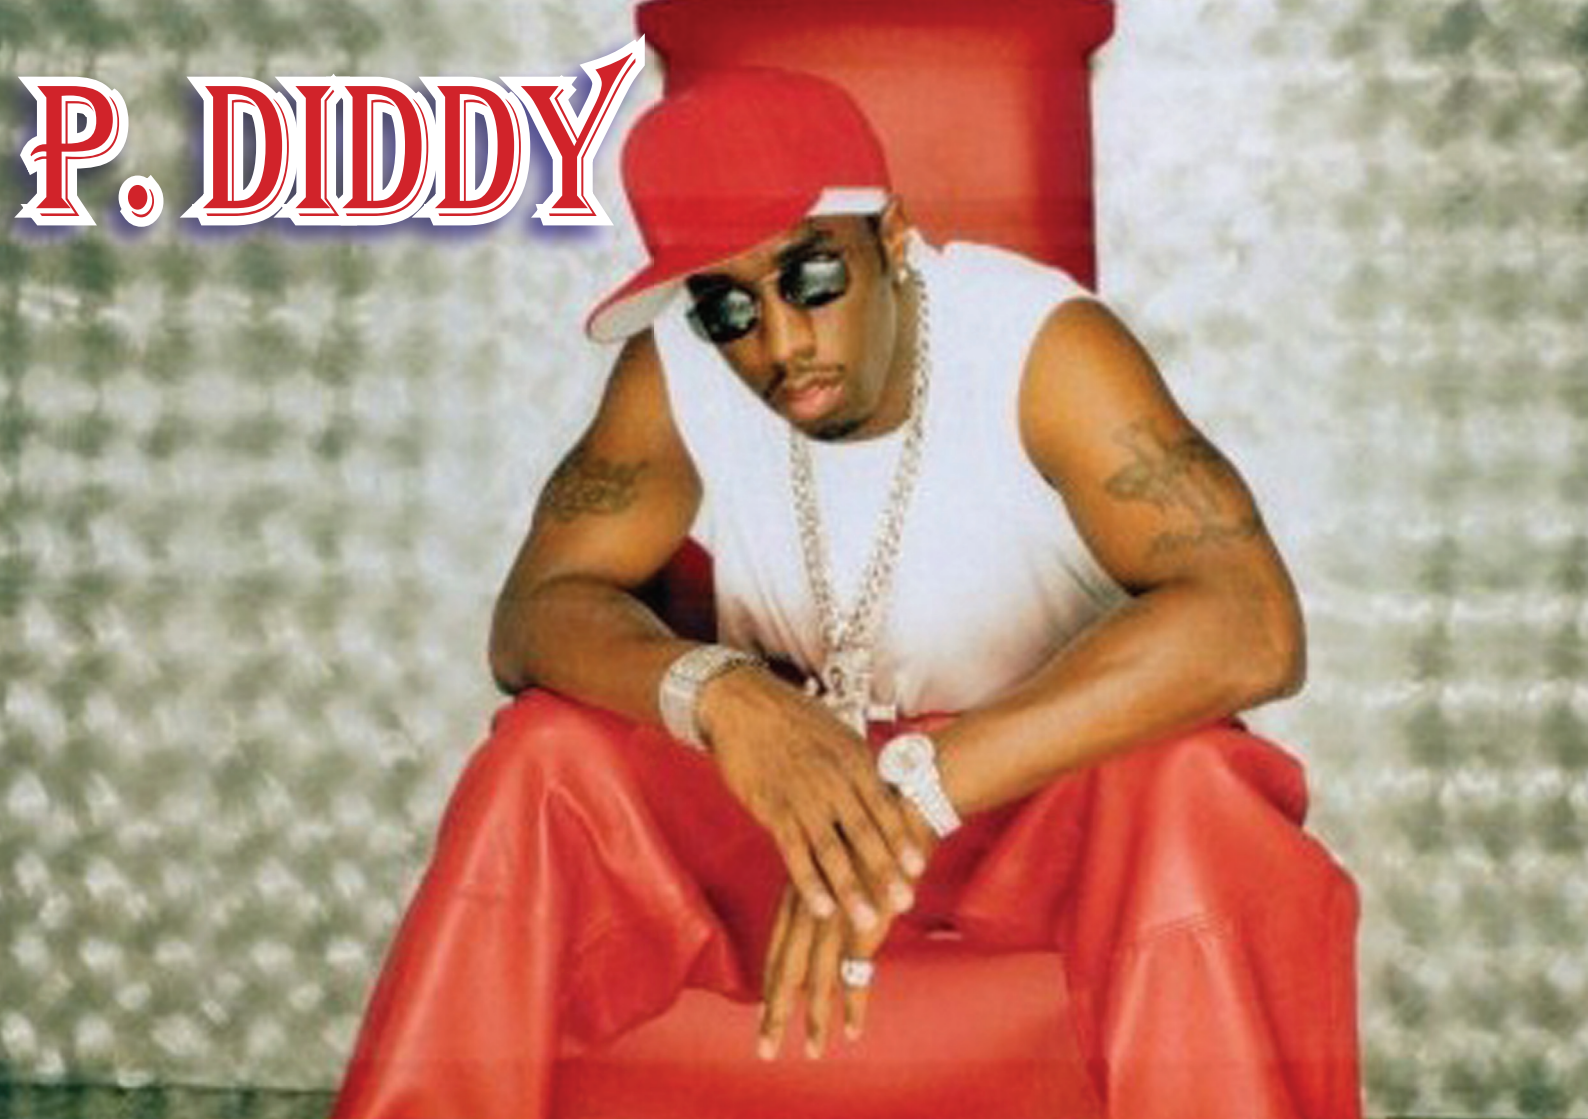

Okay rolie polies everywhere [*horse naying noise*]
Gotta find a slim chick's atmosphere
Obesity's glarin and she got me fearin
She's gonna come over here and try to eat me literal [*crunching noise*]
-ly, like a box of Cheerios
Carrot cupcakes and chocolate Tootsie rolls
I'm outta order cause I gotta big girl disorder
So better cover up that blubber or I'll split [*feet running away noise*]
And I ain't got time to play
Let's investigate another place today
Ladies less in weight and the dress they shape
Dresses pettite, no window drapes

[Obie Trice - talking]

Word to mother, they god damn okra and beans
Got ya Oprah in jeans
Seems to me a little lean cuisine
Wouldn't hurt much, hot don't touch

[Chorus]

[Outro - Obie Trice - talking]
Haha, haha, ha

Obie Trice

P. DIDDY

LAST NIGHT

(feat. Keyshia Cole)

[Diddy:]
Last night,
I couldn't even get an answer.
Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

I know you can hear me
I know you can feel me
I can't live without you
God please make me better
I wish I wasn't the way I am

[Keyshia:]
If I told you once, I told you twice,
You can see it in my eyes.
I'm all cried out,
With nothing to say.
You're everything I wanted to be.
If you could only see,
Your heart belongs to me.
I love you so much, I'm yearning for your touch.
Come and set me free,
Forever yours I'll be,
Baby won't you come and take this pain awayyyyy.

[Diddy:]
Last night,
I couldn't even get an answer.
Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[Keyshia:]
I need you,
And you need me.
This is so plain to see,
And I will never let you go and,
I will always love you so.

I will...
If you could only see,
Your heart belongs to me.
I love you so much, I'm yearning for your touch.
Come and set me free,
Forever yours I'll be,
Baby won't you come and take this pain awayyyyy.

[Diddy:]

And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[Diddy:]
Tell me the words to say,
To make you come back,
And work me like that.
And if it matters I'll rather stay home,
With you I'm never alone.
Don't want to wait till you're gone,
Let me be, just don't leave me.

[Diddy:]
Last night,
I couldn't even get an answer.
Tried to call,

[Keyshia:]
I'm so alone I'm soooo lonelyyyyy,

Why don't you pick the phone,
And dial up my number,
And call me a baby,
I'm waiting on you.

Why don't you pick the phone,
And dial up my number,
Just call me a baby,
I'm waiting on you.

[Phone dialing and ringing]
[Diddy:]
Hello
Hey waz-up
I've been tryin' to reach you all night
That shit ain't funny not picking up the mutha fucking phone
Better stop fucking playing with a nigga's feelings like that
You know how much I love you though right?
But for them couple of seconds though,
When I couldn't get in touch with you.
I'm ready to come over your house and shoot that mutha fucker up
You better fucking not be there when I get over that house
[laughing]
That's really how it goes down right?

p!nk
I'm Not Dead

STUPID GIRLS

Stupid girl, stupid girls, stupid girls
Maybe if I act like that, that guy will call me back
Porno Paparazzi girl, I don't wanna be a stupid girl

Go to Fred Segal, you'll find them there
Laughing loud so all the little people stare
Looking for a daddy to pay for the champagne
(Drop a name)
What happened to the dreams of a girl president
She's dancing in the video next to 50 Cent
They travel in packs of two or three
With their itsy bitsy doggies and their teeny-weeny tees
Where, oh where, have the smart people gone?
Oh where, oh where could they be?

Maybe if I act like that, that guy will call me back
Porno Paparazzi girl, I don't wanna be a stupid girl
Baby if I act like that, flipping my blond hair back
Push up my bra like that, I don't wanna be a stupid girl

(Break it down now)
Disease's growing, it's epidemic
I'm scared that there ain't a cure
The world believes it and I'm going crazy
I cannot take any more
I'm so glad that I'll never fit in
That will never be me
Outcasts and girls with ambition
That's what I wanna see
Disasters all around
World despaired
Their only concern
Will they **** up my hair

Maybe if I act like that, that guy will call me back
Porno Paparazzi girl, I don't wanna be a stupid girl
Baby if I act like that, flipping my blond hair back
Push up my bra like that, I don't wanna be a stupid girl
[Interlude]
Oh my god you guys, I totally had more than 300 calories

QUEEN

I WANT TO BREAK FREE

(Deacon)

I want to break free
I want to break free
I want to break free from your lies
You're so self satisfied I don't need you
I've got to break free
God knows, God knows I want to break free.

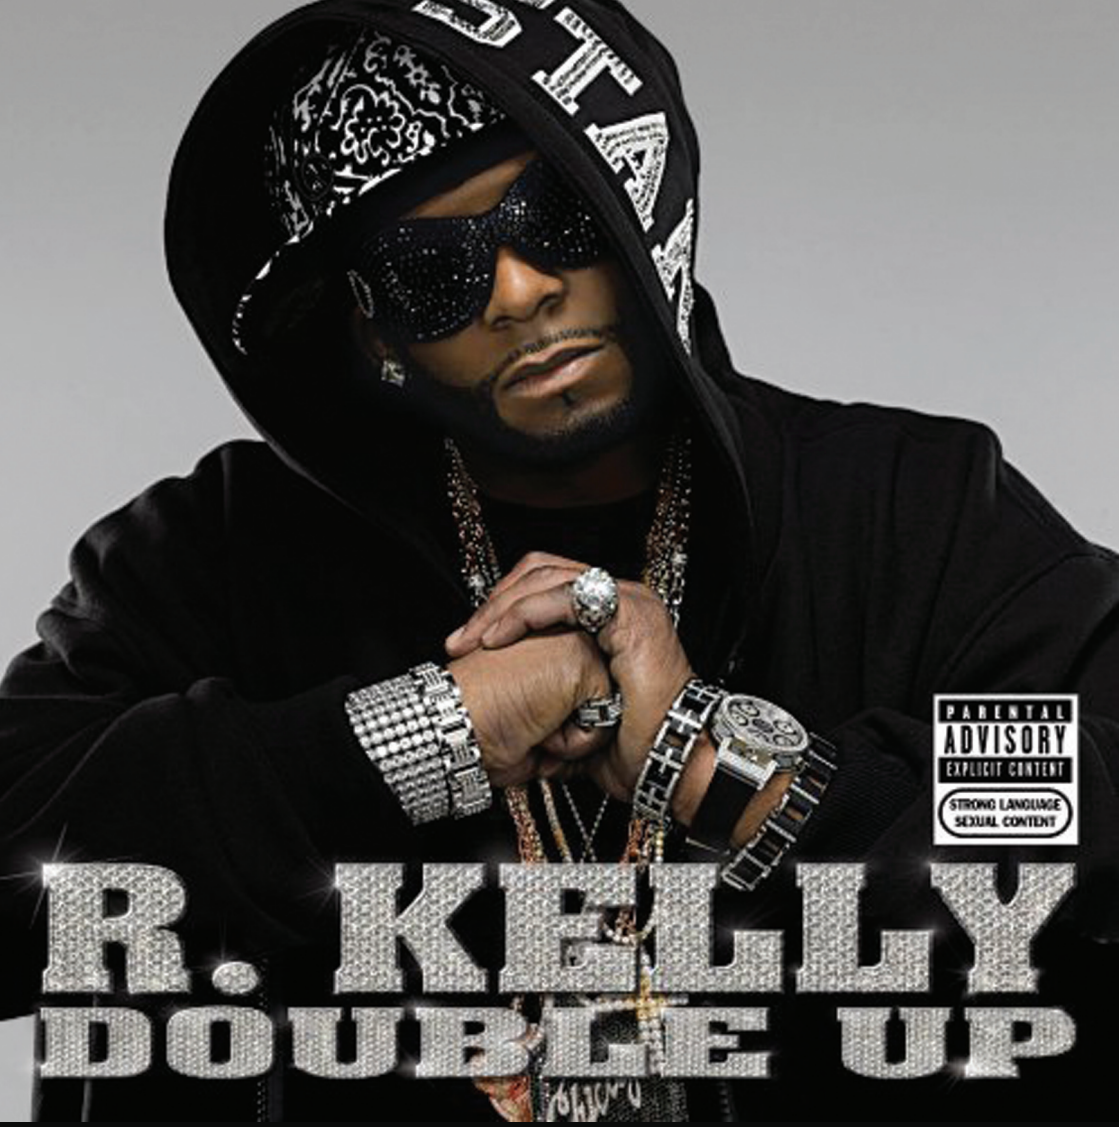

I've fallen in love
I've fallen in love for the first time

And this time I know it's for real
I've fallen in love, yeah
God knows, God knows I've fallen in love.

It's strange but it's true
I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh how I want to be free, baby
Oh how I want to be free,
Oh how I want to break free.

But life still goes on
I can't get used to, living without, living without,
Living without you by my side
I don't want to live alone, hey
God knows, got to make it on my own
So baby can't you see
I've got to break free.

I've got to break free
I want to break free, yeah
I want, I want, I want, I want to break free.

DANI CALIFORNIA

Gettin' born in the state of Mississippi
Papa was a copper and mama was a hippie
In Alabama she would swing a hammer
Price you gotta pay when you pick the panorama
She never knew that there was anything more than poor
What in the world? What does your company take me for?

Black bandana, sweet Louisiana
Robbin' on a bank in the state of Indiana
She's a runner, rebel and a stunner
Oh her merry way sayin' baby whatcha gonna
Lookin' down the barrel of a hot metal forty five
Just another way to survive

[Chorus:]
California rest in peace
Simultaneous release
California show your teeth
She's my priestess, I'm your priest, yeah, yeah

She's a lover baby and a fighter
Shoulda seen her coming when it got a little brighter
With a name like Dani California
Day was gonna come when I was gonna mourn ya
A little loaded, she was stealin' another breath
I love my baby to death

[Chorus]

Who knew the other side of you?
Who knew what others died to prove?
Too true to say good bye to you
Too true to say say say...

Push the fader, gifted animator
One for the now and eleven for the later
Never made it up to Minnesota
North Dakota man was a gunnin' for the quota

Down in the badlands she was savin' the best for last
It only hurts when I laugh
Gone too fast...

[Chorus 2x]

LOSING MY RELIGION

Life is bigger
It's bigger than you
And you are not me
The lengths that I will go to
The distance in your eyes
Oh no I've said too much
I set it up

That's me in the corner
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no I've said too much
I haven't said enough
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

Every whisper
Of every waking hour I'm
Choosing my confessions
Trying to keep an eye on you
Like a hurt lost and blinded fool
Oh no I've said too much
I set it up

Consider this
The hint of the century
Consider this
The slip that brought me
To my knees failed
What if all these fantasies
Come flailing around
Now I've said too much
I thought that I heard you laughing
I thought that I heard you sing
I think I thought I saw you try

But that was just a dream
That was just a dream

a smile
a kiss
every day
could change the World

Ricky Martin
ONE Night ONLY
1971

I DON'T CARE

Fat Joe
Yeah
Crack
I don't care, that's what Ricky says

Ricky Martin (Chorus)
I don't care
I just wanna be yours
I know I told you I'd never love you the way that I did again after all that you did to me
But I got to say

I don't care
I just wanna be yours
And I tried everything in my power to never ever say
"please come back to me"
But I got to say

Ricky Martin (Verse 1)
You promised me would always be you'd never let me go
You took the ring and all the things that came with being my girl
The tragedy as I walked through that door
He had your feet up over the seat
All I heard was screaming

It was like a movie, too real to me, that just can't be my bride to be. NO
I was shocked this could be, never thinking one day I'd take this BLOW BLOW BLOW
I was starting to feel like I should kill everything that was moving. WHOA
I've never been in hell like this
Somebody wake me up!

Ricky Martin (Chorus)
I don't care
I just wanna be yours
I know I told you I'd never love you the way that I did again after all that you did to me
But I got to say

I don't care
I just wanna be yours
And I tried everything in my power to never ever say "please come back to me"
But I got to say

Ricky Martin (Verse 2)
The crazy part was that he just kept going cause she was the only one that had noticed me
Staring into the eyes that I will one day call my baby
How could I have fallen so in love with someone I've known for years
And not even know that she'd be the one to reveal my worst fears

It was like a movie, too real to me, that just can't be my bride to be. NO
I was shocked this could be, never thinking one day I'd take this BLOW BLOW BLOW
I was starting to feel like I should kill everything that was moving. WHOA
I've never been in hell like this
Somebody wake me up!

Ricky Martin (Chorus)
I don't care
I just wanna be yours
I know I told you I'd never love you the way that I did again after all that you did to me
But I got to say

I don't care
I just wanna be yours
And I tried everything in my power to never ever say "please come back to me"
But I got to say

Amerie
I didn't mean to do all those things to you
Tell me what to do to make it up to you
I'll do everything, anything you want me to

I didn't mean to do all those things to you
Tell me what to do to make it up to you
I'll do everything, anything you want me to

Fat Joe
Should I leave, should I go, should I break apart / My Mama said you would break my heart
I can't believe you a sleaze, you a slut, a ho, now you wanna have a change of heart
Damn
Who would have thought that you would have deceived me, love of my life, you my queen like Eve
And you didn't even tell me you leavin', I had to hear about it on a scandal on TV
Now who this man creapin' in the back door, 'bout to hit him with the FO FO FO

I know you keep sayin' that you lovin' me so, but why the hell you crushin' him for
God damn now
I don't care, that's what Ricky says, and if I catch him then this kid be dead.
I don't play that Mami.
Now back to the jets you go, I left your Reeboks by the front door.
Get rocks

Ricky Martin (Chorus)
I don't care
I just wanna be yours
I know I told you I'd never love you the way that I did again after all that you did to me
But I got to say

I don't care
I just wanna be yours
And I tried everything in my power to never ever say "please come back to me"
But I got to say

Amerie
Sorry baby
I didn't mean to hurt you

Fat Joe
I don't care
That's what Ricky says

ROBBIE WILLIAMS

ROCK DJ

Me with the floorshow
Kickin' with your torso
Boys getting high
And the girls even more so
Wave your hands if you're not with the man
Can I kick it (yes you can)
I got (funk)
You got (soul)
We got everybody
I've got the gift
Gonna stick it in the goal
It's time to move your body

Babylon back in business
Can I get a witness
Every girl every man
Houston can you hear me
Ground-control can you feel me
Need permission to land
I don't wanna rock, DJ
But you're making me feel so nice
When's it gonna stop, DJ
Cause you're keepin' me up all night

Singin' in the classes
Music for your masses
Give no head
No backstage passes
Have a proper giggle
I'll be quite polite
But when I rock the mike
I rock the mike (right)
You got no love then you're with the wrong man
It's time to move your body
If you can't get a girl but your best friend can
It's time to move your body

I don't wanna be sleazy
Baby just tease me
Got no family planned
Houston can you hear me
Ground-control can you feel me
Need permission to land
I don't wanna rock, DJ
But you're making me feel so nice
When's it gonna stop, DJ
Cause you're keepin' me up all night

I don't wanna rock, DJ
But you're making me feel so nice
When's it gonna stop, DJ
Cause you're keepin' me up all night

Pimpin' ain't easy
Most of them fleece me
Every night
Pimpin' ain't easy
But if you're sellin' it
It's alright

Come on
I don't wanna rock, DJ
But you're making me feel so nice
When's it gonna to stop DJ
'Cause you're keepin' me up all night

I don't wanna rock, DJ
But you're making me feel so nice
When's it gonna stop, DJ
'Cause you're keepin' me up all night

SATISFACTION

I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

When I'm drivin' in my car
and that man comes on the radio
and he's tellin' me more and more
about some useless information
supposed to fire my imagination.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

When I'm watchin' my TV
and that man comes on to tell me
how white my shirts can be.
Well he can't be a man 'cause he doesn't smoke
the same cigarettes as me.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

I can't get no satisfaction,
I can't get no girl with action.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

When I'm ridin' round the world
and I'm doin' this and I'm signing that
and I'm tryin' to make some girl
who tells me baby better come back later next week
'cause you see I'm on losing streak.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

I can't get no, I can't get no,
I can't get no satisfaction,
no satisfaction, no satisfaction, no satisfaction

SOULICIOU

FROM SARAH WITH LOVE

For so many years we were friends
And yes I always knew what we could do
But so many tears in the rain
Felt the night you said
That love had come to you
I thought you were not my kind
I thought that I could never feel for you
The passion and love you were feeling
And so you left
For someone new
And now that you're far and away
I'm sending a letter today

From Sarah with love
She'd got the lover she is dreaming of
She never found the words to say
But I know that today
She's gonna send her letter to you

From Sarah with love
She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she writes to you

From Sarah with love

So maybe the chance for romance
Is like a train to catch before it's gone
And maybe it's just an illusion
To hope behind the clouds
You'll find the sun
But I'll keep on hoping and praying
There will be a day when we meet again
And I'll keep on waiting and dreaming
You're strong enough
To understand
As long as you're so far away
I'm sending a letter each day

From Sarah with love
She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she writes to you
From Sarah with love

From Sarah with love
She'd got the lover she is dreaming of
She never found the words to say
But I know that today
She's gonna send her letter to you

From Sarah with love
She's gotta know what you are thinking of
´cause every little now and then
And again and again
I know her heart cries out for you

From Sarah with love
She'd got the lover she is dreaming of
Never found - words to say, ahh
But today, but today...

From Sarah with love
She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she writes to you
From Sarah with love

Coda:
And they told her it is true
She could dare to fall in love with you
So don't make me blue when I write to you
From Sarah with love

WIND OF CHANGE

(Klaus Meine)

I folow the Moskva
Down to Gorky Park
Listening to the wind of change
An August summer night
Soldiers passing by
Listening to the wind of change

The world is closing in
Did you ever think
That we could be so close, like brothers
The future's in the air
I can feel it everywhere
Blowing with the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
in the wind of change

Walking down the street
Distant memories
Are buried in the past forever
I folow the Moskva
Down to Gorky Park
Listening to the wind of change

Take me to the magic of the moment
On a glory night
Where the children of tomorrow share their dreams
With you and me
Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
in the wind of change

The wind of change
Blows straight into the face of time
Like a stormwind that will ring the freedom bell
For peace of mind
Let your balalaika sing
What my guitar wants to say

Take me to the magic of the moment
On a glory night
Where the children of tomorrow share their dreams
With you and me
Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
in the wind of change

Limo tint rollin deep like the President
See I don't go to clubs, I never chase a bitch (beitch)
I'm here to bang that gangsta shit to the apocalypse
We call it stress, some of y'all call it chocolate
Return of the Top Dogg, and ain't no stoppin this
Whatever the case, I ain't tryin to catch it
Lay low, blow big dope, and slang records
Unseen but well heard, do not disturb
The only reason you alive cause I ain't sent the word
I flip, faster than birds, Snoop Dogg will emerge from the smoke and go loc, you shouldn't provoke
I bring the worst from the L.B.C.
Smash motherfuckers thinkin they gon' smash on me
Snoop and Dre give a FUCK about what y'all say
From the "World's Most Dangerous Group" - N.W.A
Ay, ay

[Butch Cassidy]
Our rise, it was no surprise
I always knew these fools would trip
Hatin, fakin, schemin on mine
and on the down low talkin shit
Best move cause I refuse to lose
no matter which damn road I choose
So lay low cause you might be bruised
Top story on the evening news
I ain't for games, so if you wanna play 'em lay low
Lay down on the floor
I'm in a rage, so if we gotta do this let me know
That's what I came fo'

[Goldie Loc - Eastsidaz]
Where that nigga who be talkin shit?
He don't come around no more because I fucked his bitch
I made her suck my dick, while I was squeezin the tits
Then I hit it from the back, gripped tight on them hips
She tried to make me cum, but I was tryin to take her home
Dropped you off and seen you fishin on your raggedy Brougham
Coulda thumped you and the dog (you little fag)
And don't sag too hard, you show everybody your thong

[Tray Deee - Eastsidaz]
Booyaka booyaka, we bring it straight to ya
From 22's to Luger's the shit that shoot through ya
Who you motherfuckers think the Top Dogg bang with?
The same click he came with and made the game flip
Now niggaz grow they hair, hope they stayin act hard
That's even tho' yo' CEO talk shit get slapped hard
The backyard is where we get our scrap on
The black car drive by then you get capped on

[Master P]
Whassup pimpin? It's P and Snoop
With Dre on the beat, this ain't nuttin but loot
They call me Jackhammer for all the bread I got but they call me Bill Clinton for all the head I got
I keeps it real-ah, cause I'm all about my scrilla
The ladies love me cause I'm a million dolla hitta
It's, No Limit til I D-I-E

LONELY DAY

Such a lonely day
And its mine
The most loneliest day of my life

Such a lonely day
Should be banned
It's a day that I can't stand

The most loneliest day of my life
The most loneliest day of my life

Such a lonely day
Shouldn't exist
It's a day that I'll never miss
Such a lonely day
And its mine
The most loneliest day of my life

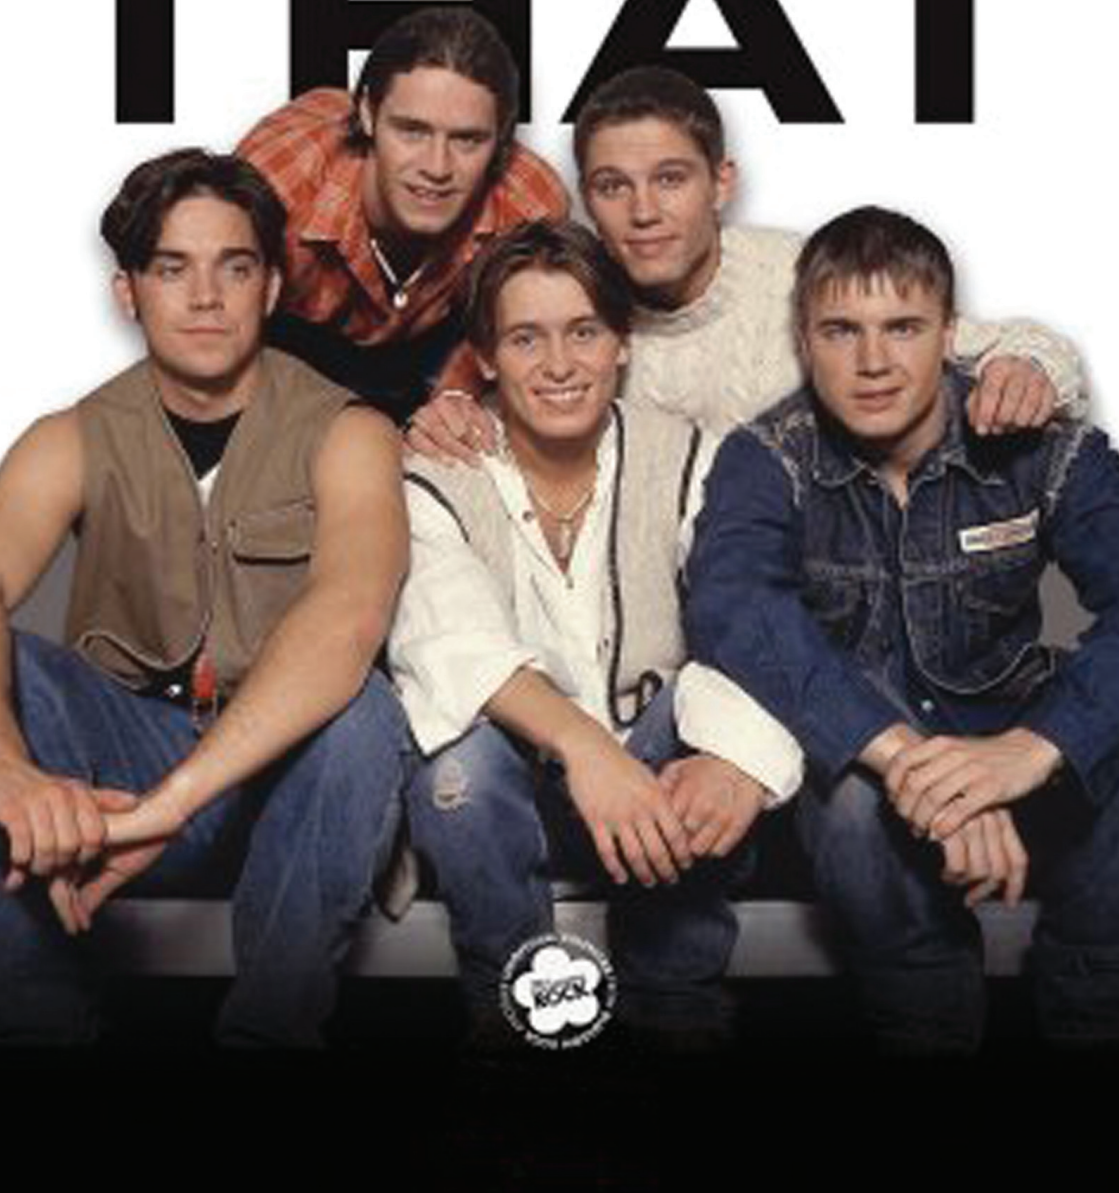

And if you go, I wanna go with you
And if you die, I wanna die with you

Take your hand and walk away

The most loneliest day of my life
The most loneliest day of my life
The most loneliest day of my life
Life

Such a lonely day
And its mine
It's a day that I'm glad I survived

If you stay with me girl
We can rule the world-
Yeah you and me we can light up the sky
If you stay by my side
We can rule the world-

If walls break down, I will comfort you
If angels cry, oh I'll be there for you
You've saved my soul
Don't leave me now, don't leave me now

Oh

Yeah you and me we can ride on a star
If you stay with me girl
We can rule the world
Yeah you and me, we can light up the sky
If you stay by my side

FRIEND OR FOE

Is it too late?
Nothing to salvage
You look away
Clear of the damage
The meaning to
Our words of love
Has disappeared

We used to love one another
Give to each other
Lie undercover so
Are you friend or foe?

Love one another
Live for each other
So, are you friend or foe?
'Cause I used to know

The promises
Hollow concessions
An innocent
Show of affection
I touch your hand
A hologram
Are you still there?

We used to love one another
Give to each other
Lie undercover so

Are you friend or foe?

Love one another
Live for each other
So, are you friend or foe?
'Cause I used to know

We used to
We used to
We used to
We used to, used to

Is it too late?
Nothing to salvage
You look away
Clear of the damage
The meaning to
Our words of love
Has disappeared

We used to love one another
Give to each other
Lie undercover so
Are you friend or foe?

Live for each other

LIGHT MY FIRE

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higher

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

The time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire, yeah

The time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire, yeah

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higher

Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire
Try to set the night on fire
Try to set the night on fire
Try to set the night on fire

TIMBALAND

ONE REPUBLIC

I'm holding on your rope
Got me ten feet off the ground
And I'm hearing what you say
But I just can't make a sound
You tell me that you need me
Then you go and cut me down
But wait...
You tell me that you're sorry
Didn't think I'd turn around and say..

That it's too late to apologize, it's too late
I said it's too late to apologize, it's too late

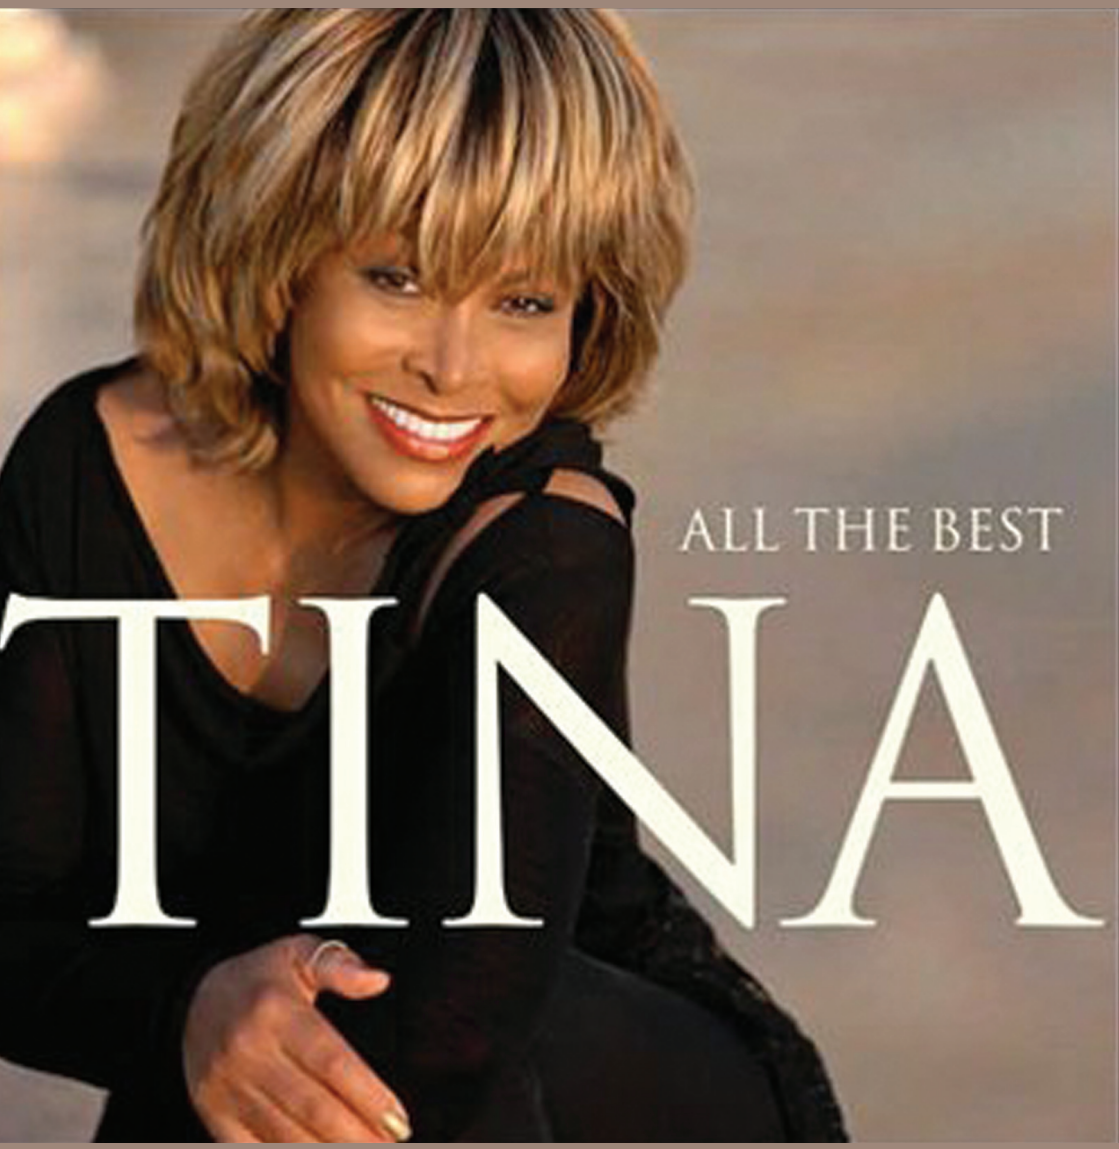

I'd take another chance, take a fall, take a shot for you
And I need you like a heart needs a beat
(But that's nothing new)
Yeah yeah

I loved you with a fire red, now it's turning blue
And you say
Sorry like the angel heaven let me think was you
But I'm afraid

It's too late to apologize, it's too late
I said it's too late to apologize, it's too late
Woahooo woah

It's too late to apologize, it's too late
I said it's too late to apologize, it's too late
I said it's too late to apologize, yeah yeah
I said it's too late to apologize, a yeah

I'm holding on your rope
Got me ten feet off the ground

ALL THE BEST
TINA

SIMPLY THE BEST

I call you when I need you, my heart's on fire
You come to me, come to me wild and wired
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak the language of love like you know what it means
ohh, it can't be wrong
Take my heart and make it stronger baby

You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be dead

In your heart I see the stars of every night and every day
In your eyes I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no
better place

You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be dead

Each time you leave me I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh baby, don't let go

You're the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be dead

Oh, You're the best...

MONSOON

I'm staring at a broken door
There's nothing left here anymore
My room is cold
It's making me insane

I've been waiting here so long
But now the moment seems to've come,
I see the dark clouds coming up again.

Running through the monsoon
Beyond the world,
To the end of time,
Where the rain won't hurt
Fighting the storm,
Into the blue,
And when I loose myself I think of you,
Together we'll be running somewhere new
Through the monsoon.
Just me and you

A half moon's fading from my sight
I see a vision in its light
But now it's gone and left me so alone
I know I have to find you now
Can hear your name, I don't know how
Why can't we make this darkness feel like home?

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
Fighting the storm
Into the blue
And when I loose myself I think of you
Together we'll be running somewhere new
And nothing can hold me back from you
Through the monsoon

Hey! Hey!

I'm fighting all this power
Coming in my way
Let it send me straight to you
I'll be running night and day
I'll be with you soon
Just me and you
We'll be there soon
So soon

Running through the monsoon
Beyond the world
To the end of time
Where the rain won't hurt
Fighting the storm
Into the blue
And when I loose myself I think of you
Together we'll be running somewhere new
And nothing can hold me back from you
Through the monsoon

Through the monsoon
Just me and you
Through the monsoon
Just me and you

WITH OR WITHOUT YOU

See the stone set in your eyes
See the thorn twist in your side
I wait for you

Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait without you

With or without you
With or without you

Through the storm we reach the shore
You give it all but I want more
And Im waiting for you

With or without you
With or without you
I cant live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, shes got me with
Nothing to win and
Nothing left to lose

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

With or without you
With or without you
I cant live
With or without you

With or without you
With or without you
I cant live
With or without you
With or without you

YEAH!

(feat. Lil' Jon, Ludacris)

[Usher:]
Peace up!
A Town Down!

[Lil' Jon:]
Yeah, Ok! Lil' Jon! Usher, Usher!

[Usher:]
Yeah, Yeah Yeah, Yeah yeah, Yeaah
Yeah, Yeah yeah, Yeah yeah, Yeaah

[Usher (Verse 1):]
Up in the club with my homies, tryna get a lil V-I, but keep it down on the low key, cause you know how it is.
I saw shorty she was checkin up on me, from the game she was spittin' in my ear you would think that she knew me.
So we decided to chill

Conversation got heavy, she had me feelin like she's ready to blow!
(Watch Out!, Watch Out!)
She's saying come get me, come get me,
So I got up and followed her to the floor, she said baby lets go,
That's when I told her I said

[Usher (Chorus):]
Yeah (yeah) Shorty got down low and said come and get me
Yeah (yeah) I got so caught up I forgot she told me
Yeah (yeah) Her and my girl used to be the best of homies
Yeah (yeah) Next thing I knew she was all up on me screaming:

Yeah, Yeah yeah, Yeah yeah, Yeaah
Yeah, Yeah yeah, Yeah yeah, Yeaah

[Usher (Verse 2):]
So she's all up in my head now, got me thinking that it might good idea to take her with me,
Cause she's ready to leave (ready to leave)
But I gotta keep it real now, cause on a one to ten she's a certified twenty, but that just ain't me. hey.
Because I don't know if I take that chance just where it's gonna lead,
But what I do know is the way she dance makes shorty alright with me.
The way she (get low!)
I'm like yeah, just work that out for me.
She asked for one more dance and I'm Like yeah, how the hell am I supposed to leave?
And I said

[Chorus]

[Lil' Jon:]
Luda!

[Ludacris (Verse 3):]
Watch out!
My outfit's ridiculous, In the club lookin' so conspicuous.
And Rowl! These women all on the prowl, if you hold the head steady I'm a milk the cow.
Forget about the game I'm a spit the truth, I won't stop till I get em in they birthday suits.
So gimmie the rhythm and it'll be off with they clothes, then bend over to the front and touch your toes.
I left the jag and I took the roles, if they aint cutting then I put em on foot patrol.
How you like me now, when my pinky's valued over three hundred thousand,
Lets drank you the one to please, Ludacris fill cups like double d's.
Me and Ursh once more and we leave em dead, we want a lady in the street but a freak in the bed to say

[Chorus]

[Ludacris (Bridge):]
Take that and rewind it back, Lil' Jon got the beat to make ya booty go (clap)
Take that and rewind it back, Ursher got the voice to make ya booty go (clap)
Take that and rewind it back, Ludacris got the flow to make ya booty go (clap)
Take that and rewind it back, Lil' Jon got the beat to make ya booty go (clap)

BE MY BABY

I saw you walk down the street
With some other girl
Always thought that I was the only one in your world
Baby can you tell me so
Out of sight of of mind aint what love ought to be
And I hoped all the time that youd be faithful to me
Faithful to me

All Im asking you for when you walk out the door
Is to me my baby, baby
I just want to be sure
That forever and more
You would be my baby

Love is just like a flower baby it has to grow
And when you are away Im even loving you more
I just have to let you know
One on one is the way and thats the way it should be
So if youre not gonna stay
Then dont be playing with me
You can set me free

All Im asking you for when you walk out the door
Is to me my baby, baby
cause all this lovev is for you
And you know that Im true
And Ill be your baby

All Im asking you for when you walk out the door
Is to me my baby, baby
cause I knew from the start
That you were working my heart
Wont you be my baby

I remember our walk other saturday night
Sweet harmonies filled and floated through our minds
Never felt this way before
We were riding so high on love and understanding
So why go wasting your time when you have got such a find
That is everlasting

All Im asking you for when you walk out the door
Is to me my baby, baby
I just want to be sure
That forever and more
You would be my baby

All Im asking you for when you walk out the door
Is to me my baby, baby
cause all this lovev is for you
And you know that Im true
And Ill be your baby
And I want you to love me baby.
